

# 1911 SLIDES - CASPIAN CARBON STEEL, LOW MOUNT SIGHT CUT, 9MM

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

## Superb Strength & Precise Tolerances For The Ultimate Combat Pistol

Custom-quality slides from Caspian, ready to be fitted to the frame of your choice. They start as high-quality forgings for extra strength, then are heat-treated to Rc 38-41 before machining for exceptional dimensional stability. Sides are polished, while the rest of the surface is bead-blasted for a non-glare, matte finish. Deep-cut, forward-angled rear cocking serrations prevent slippage when racking, even with a wet hand. Available in 4340 carbon steel (CS) and 416 stainless steel (SS) with .45 ACP, .40 S&W, and 9mm breechfaces. Commander and Officers models in .45 ACP only. Choose a slide without sight cuts (NC), or between two pre-cut dovetail options: a Novak Lo-Mount or Bo-Mar BMCS rear cut, both coupled with a Novak front cut. Recon slide is a Government slide with ball cuts at the front that line up with the light rail on the Caspian Recon frame (available separately). All slides require the use of a 9mm/.38 Super firing pin.

## Attributes

- Name: [CASPIAN CARBON STEEL, LOW MOUNT SIGHT CUT, 9MM](#)
- Manufacturer: [CASPIAN](#)
- Product no.: 168000065
- Mfr. No.: 168-000-065
- Cartridge: 9 mm Luger
- Finish: Unfinished
- Model: Government
- Sights: Novak
- Style: Government,Rear Serrations
- Weapon type: 1911
- Delivery weight: 0.318kg
- Shipping height: 41mm
- Shipping width: 41mm
- Shipping length: 191mm

## Item details

# Safety Instruction Guide for 1911 Slides Caspian Carbon Steel, Low Mount Sight Cut, 9MM

## Introduction

Thank you for choosing the 1911 Slides Caspian Carbon Steel, Low Mount Sight Cut, 9MM. This guide provides essential safety instructions and guidelines to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR). Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that the product is suitable for your firearm model before installation.
- Always handle the slide with care and in a safe environment.
- Store the slide in a secure location, away from children and unauthorized users.
- Regularly inspect the slide for any signs of wear or damage.
- Use only the recommended 9mm/.38 Super firing pin for this slide.
- If you experience any issues or concerns regarding the product, seek professional assistance.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or injury.
- Slippery surfaces may cause loss of grip during operation.
- Use of incorrect components can lead to firearm malfunction.

- **Instructions for Avoiding Hazards:**

- Always follow the manufacturer's installation instructions.
- Ensure that your hands are dry and clean when handling the slide.
- Do not modify or alter the slide in any way.
- Do not use the slide if it shows signs of damage or excessive wear.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that your firearm is unloaded and pointed in a safe direction.
2. Remove the existing slide from the firearm frame.
3. Align the Caspian slide with the frame, ensuring that all components fit correctly.
4. Secure the slide in place according to the manufacturer's specifications.
5. Check that the slide operates smoothly before use.

- **Usage:**

- Always operate your firearm in accordance with the manufacturer's guidelines.
- Practice safe handling procedures, including keeping the firearm pointed in a safe direction.
- Regularly clean and maintain the slide to ensure optimal performance.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.

- If the product is damaged beyond repair, consult local guidelines for the disposal of metal and firearm components.
- Ensure that all components are disposed of in a manner that prevents unauthorized use.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the product, please refer to the manufacturer's contact point as provided on the packaging or product documentation.
