

# 1911 SLIDES - CASPIAN STAINLESS STEEL, LOW MOUNT SIGHT CUT, 9MM

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

## Superb Strength & Precise Tolerances For The Ultimate Combat Pistol

Custom-quality slides from Caspian, ready to be fitted to the frame of your choice. They start as high-quality forgings for extra strength, then are heat-treated to Rc 38-41 before machining for exceptional dimensional stability. Sides are polished, while the rest of the surface is bead-blasted for a non-glare, matte finish. Deep-cut, forward-angled rear cocking serrations prevent slippage when racking, even with a wet hand. Available in 4340 carbon steel (CS) and 416 stainless steel (SS) with .45 ACP, .40 S&W, and 9mm breechfaces. Commander and Officers models in .45 ACP only. Choose a slide without sight cuts (NC), or between two pre-cut dovetail options: a Novak Lo-Mount or Bo-Mar BMCS rear cut, both coupled with a Novak front cut. Recon slide is a Government slide with ball cuts at the front that line up with the light rail on the Caspian Recon frame (available separately). All slides require the use of a 9mm/.38 Super firing pin.

## Attributes

- Name: [CASPIAN STAINLESS STEEL, LOW MOUNT SIGHT CUT, 9MM](#)
- Manufacturer: [CASPIAN](#)
- Product no.: 168000066
- Mfr. No.: 168-000-066

# Safety Instruction Guide for 1911 Slides Caspian Stainless Steel

## Introduction

Thank you for choosing the 1911 Slides Caspian Stainless Steel. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the correct caliber ammunition specified for the slide (9mm).
- Ensure that the firearm is unloaded before installing or adjusting the slide.
- Avoid using the slide in wet or slippery conditions to prevent accidents.
- Do not modify the slide or use it with incompatible components.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Use caution when racking the slide, especially if your hands are wet or slippery.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is completely unloaded.
- Remove the existing slide from the firearm according to the manufacturer's instructions.
- Align the new Caspian slide with the frame, ensuring that it fits securely.
- Follow the specific installation instructions provided by the firearm manufacturer.
- Ensure that the slide operates smoothly before use.

### 2. Usage:

- Load the firearm with the correct ammunition (9mm) only.
- Always keep the firearm pointed in a safe direction when handling.
- Rack the slide firmly to chamber a round, ensuring a secure lockup.
- Engage the safety mechanism when not in use to prevent accidental discharge.
- Regularly clean and maintain the slide and firearm to ensure optimal performance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for firearms and firearm components.
- Do not dispose of the product in regular household waste.
- If the slide is damaged or no longer usable, contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the 1911 Slides Caspian Stainless Steel, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can help ensure your safety and the effective use of the 1911 Slides Caspian Stainless Steel. Thank you for your attention to these important safety instructions.
