

# 1911 SLIDES - CASPIAN CARBON STEEL, BO-MAR SIGHT CUT, .40 S&W/10MM

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

## Superb Strength & Precise Tolerances For The Ultimate Combat Pistol

Custom-quality slides from Caspian, ready to be fitted to the frame of your choice. They start as high-quality forgings for extra strength, then are heat-treated to Rc 38-41 before machining for exceptional dimensional stability. Sides are polished, while the rest of the surface is bead-blasted for a non-glare, matte finish. Deep-cut, forward-angled rear cocking serrations prevent slippage when racking, even with a wet hand. Available in 4340 carbon steel (CS) and 416 stainless steel (SS) with .45 ACP, .40 S&W, and 9mm breechfaces. Commander and Officers models in .45 ACP only. Choose a slide without sight cuts (NC), or between two pre-cut dovetail options: a Novak Lo-Mount or Bo-Mar BMCS rear cut, both coupled with a Novak front cut. Recon slide is a Government slide with ball cuts at the front that line up with the light rail on the Caspian Recon frame (available separately). All slides require the use of a 9mm/.38 Super firing pin.

## Attributes

- Name: [CASPIAN CARBON STEEL, BO-MAR SIGHT CUT, .40 S&W/10MM](#)
- Manufacturer: [CASPIAN](#)
- Product no.: 168000067

# Safety Instruction Guide for 1911 Slides Caspian Carbon Steel, BoMar Sight Cut, .40 S&W/10MM

## Introduction

Thank you for choosing the 1911 Slides Caspian Carbon Steel, BoMar Sight Cut, .40 S&W/10MM. This guide provides essential safety information to ensure the safe use and handling of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with the basic operation and handling of firearms before using this product.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the slide for any signs of wear or damage.
- Use only compatible components and ammunition as specified for this slide.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only a 9mm/.38 Super firing pin with this slide.
- Ensure that the slide is properly fitted to the frame before use.
- Do not attempt to modify or alter the slide in any way that could affect its performance or safety.
- When racking the slide, ensure that your hands are dry to prevent slippage. Use the deepcut, forwardangled rear cocking serrations for better grip.
- Avoid using the slide in wet or slippery conditions unless necessary.
- Be mindful of the weight and balance of the firearm once the slide is installed, and practice safe handling techniques.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and the magazine is removed.
- Align the slide with the frame and carefully slide it into place.
- Ensure that the slide is securely fitted and moves freely.
- Check for proper alignment with the barrel and ensure that all components are properly seated.

### 2. Usage:

- Load the firearm only in a safe environment.
- Always check the chamber before handling or cleaning the firearm.
- Follow all manufacturer guidelines for ammunition types and specifications.
- After use, clean the firearm and inspect the slide for any signs of wear or damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and firearm components.
- If the slide is damaged beyond repair, consult with a qualified firearms disposal service.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions regarding the safety or use of this product, please consult with a qualified firearms professional or reach out to the manufacturer directly.

By following these guidelines, you can ensure a safe and enjoyable experience with your 1911 Slides Caspian Carbon Steel, BoMar Sight Cut, .40 S&W/10MM. Your safety is paramount, and adherence to these instructions will help prevent accidents and injuries.
