

1911 SLIDES - CASPIAN STAINLESS STEEL, BO-MAR SIGHT CUT, .45 ACP

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Superb Strength & Precise Tolerances For The Ultimate Combat Pistol

Custom-quality slides from Caspian, ready to be fitted to the frame of your choice. They start as high-quality forgings for extra strength, then are heat-treated to Rc 38-41 before machining for exceptional dimensional stability. Sides are polished, while the rest of the surface is bead-blasted for a non-glare, matte finish. Deep-cut, forward-angled rear cocking serrations prevent slippage when racking, even with a wet hand. Available in 4340 carbon steel (CS) and 416 stainless steel (SS) with .45 ACP, .40 S&W, and 9mm breechfaces. Commander and Officers models in .45 ACP only. Choose a slide without sight cuts (NC), or between two pre-cut dovetail options: a Novak Lo-Mount or Bo-Mar BMCS rear cut, both coupled with a Novak front cut. Recon slide is a Government slide with ball cuts at the front that line up with the light rail on the Caspian Recon frame (available separately). All slides require the use of a 9mm/.38 Super firing pin.

Attributes

Safety Instruction Guide for 1911 Slides Caspian Stainless Steel, BoMar Sight Cut, .45 ACP

Introduction

Thank you for choosing the 1911 Slides Caspian Stainless Steel, BoMar Sight Cut, .45 ACP. This product is designed for high performance and durability. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Ensure that you are familiar with the operation of firearms and the specific model you are using.
- Always treat all firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear or damage.
- Follow local laws and regulations regarding firearms ownership and usage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only compatible ammunition as specified in the product details: .45 ACP, .40 S&W, or 9mm.
- Ensure that the slide is properly fitted to the frame before use to prevent malfunction.
- Be cautious when racking the slide, especially in wet conditions, to avoid slippage.
- Use a 9mm/.38 Super firing pin as required for all Caspian slides.
- If you notice any unusual sounds or malfunctions while using the firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing slide from the firearm according to the manufacturer's instructions.
- Align the Caspian slide with the frame, ensuring a secure fit.
- Install the slide stop and ensure it is properly engaged.
- Confirm that the slide operates smoothly before proceeding.

2. Usage:

- Load the firearm with the appropriate ammunition.
- Always check that the safety is engaged before loading.
- When ready to fire, disengage the safety and aim at your target.
- After firing, reengage the safety before handling the firearm or reloading.
- Clean and maintain the slide regularly to ensure optimal performance.

Disposal Instructions

- Dispose of the slide and any associated parts in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Consider recycling options or contacting a local gunsmith for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Slides Caspian Stainless Steel, BoMar Sight Cut, .45 ACP, please seek assistance from a qualified firearms expert or a local dealer. Ensure that you are receiving guidance from reputable sources.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your 1911 Slide. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important safety measures.
