

1911 SLIDES - COMMANDER, SS, BO-MAR SIGHT CUT

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Superb Strength & Precise Tolerances For The Ultimate Combat Pistol

Custom-quality slides from Caspian, ready to be fitted to the frame of your choice. They start as high-quality forgings for extra strength, then are heat-treated to Rc 38-41 before machining for exceptional dimensional stability. Sides are polished, while the rest of the surface is bead-blasted for a non-glare, matte finish. Deep-cut, forward-angled rear cocking serrations prevent slippage when racking, even with a wet hand. Available in 4340 carbon steel (CS) and 416 stainless steel (SS) with .45 ACP, .40 S&W, and 9mm breechfaces. Commander and Officers models in .45 ACP only. Choose a slide without sight cuts (NC), or between two pre-cut dovetail options: a Novak Lo-Mount or Bo-Mar BMCS rear cut, both coupled with a Novak front cut. Recon slide is a Government slide with ball cuts at the front that line up with the light rail on the Caspian Recon frame (available separately). All slides require the use of a 9mm/.38 Super firing pin.

Attributes

Safety Instruction Guide for 1911 SLIDES COMMANDER, SS, BOMAR SIGHT CUT

Introduction

Thank you for choosing the 1911 SLIDES COMMANDER, SS, BOMAR SIGHT CUT. This product is designed to enhance your firearm's performance while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and maintain your slide safely and effectively.

General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions provided. This slide is designed for use with the 1911 platform and should only be used in conjunction with compatible frames.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding this product. Regularly check for updates from the manufacturer or relevant authorities.
- **Online Shopping:** If purchased online, ensure that the platform meets all safety requirements and provides adequate product information.
- **Special Consumer Focus:** This product is not intended for use by individuals under the age of 18. Ensure that it is stored securely and out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Be aware of the Safety Gate system for faster notifications regarding unsafe products.

Specific Safety Precautions for Use

- **Use Appropriate Firearm:** Ensure that the slide is compatible with your 1911 frame. This product is specifically designed for .45 ACP, .40 S&W, and 9mm cartridges.
- **Firing Pin Requirement:** All slides require the use of a 9mm/.38 Super firing pin. Using an incorrect firing pin may lead to malfunction or injury.
- **Avoid Modifications:** Do not attempt to modify the slide or its components. Any alterations may compromise safety and performance.
- **Inspect Before Use:** Always inspect the slide for any signs of damage or wear before installation. Do not use if damaged.
- **Use Proper Ammunition:** Only use recommended ammunition types as specified in the product specifications.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing slide from your 1911 frame according to the manufacturer's instructions.
- Align the new slide with the frame, ensuring that it fits securely.
- Install the slide stop and any other components as per the firearm's assembly instructions.

2. Usage:

- Before firing, ensure that the slide is properly seated on the frame.
- Always handle the firearm with care, treating it as if it is loaded.
- Follow all standard firearm safety practices during use.

3. Maintenance:

- Regularly clean the slide and inspect for any signs of wear or damage.
- Lubricate moving parts as necessary to ensure smooth operation.
- Store the firearm in a secure location when not in use.

Disposal Instructions

- Dispose of the slide in accordance with local regulations regarding metal and firearm components.
- If the slide is damaged beyond repair, ensure that it is rendered inoperable before disposal to prevent misuse.

Contact Information for Further Support

For any questions or concerns regarding the 1911 SLIDES COMMANDER, SS, BOMAR SIGHT CUT, please refer to the contact information provided with your product. It is important to reach out to the manufacturer for specific inquiries regarding safety, installation, and maintenance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 1911 SLIDES COMMANDER, SS, BOMAR SIGHT CUT. Always prioritize safety and responsible handling of firearms.
