

1911 SLIDES - COMMANDER, CS, LOW MOUNT SIGHT CUT, 45 ACP

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Superb Strength & Precise Tolerances For The Ultimate Combat Pistol

Custom-quality slides from Caspian, ready to be fitted to the frame of your choice. They start as high-quality forgings for extra strength, then are heat-treated to Rc 38-41 before machining for exceptional dimensional stability. Sides are polished, while the rest of the surface is bead-blasted for a non-glare, matte finish. Deep-cut, forward-angled rear cocking serrations prevent slippage when racking, even with a wet hand. Available in 4340 carbon steel (CS) and 416 stainless steel (SS) with .45 ACP, .40 S&W, and 9mm breechfaces. Commander and Officers models in .45 ACP only. Choose a slide without sight cuts (NC), or between two pre-cut dovetail options: a Novak Low-Mount or Bo-Mar BMCS rear cut, both coupled with a Novak front cut. Recon slide is a Government slide with ball cuts at the front that line up with the light rail on the Caspian Recon frame (available separately). All slides require the use of a 9mm/.38 Super firing pin.

Attributes

Safety Instruction Guide for 1911 SLIDES COMMANDER, CS, LOW MOUNT SIGHT CUT, 45 ACP

Introduction

Thank you for choosing the 1911 SLIDES COMMANDER, CS, LOW MOUNT SIGHT CUT, 45 ACP. This guide provides essential safety information and instructions to ensure the safe use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure that you use this product in accordance with the guidelines provided. This product is designed for safe use when properly handled and installed.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If a recall occurs, follow the instructions provided for a remedy.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for any updates regarding unsafe products.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation or use may lead to serious injury or damage.
 - Always ensure that the firearm is unloaded before handling the slide.
- **Avoiding Hazards:**
 - Do not attempt to modify or alter the slide in any way.
 - Always use appropriate protective gear, such as eye protection, when handling firearms.
 - Ensure that the slide is compatible with your firearm model before installation.
- **Age Restrictions:**
 - This product should only be used by individuals who are legally permitted to own and operate firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing slide from the firearm following the manufacturer's instructions.
- Align the new slide with the frame, ensuring that the breechface is compatible with the barrel and firing pin.
- Secure the slide in place according to the firearm's specifications.
- Perform a function check to ensure proper operation before live firing.

2. Usage:

- Always follow safe firearm handling practices.
- Keep your fingers off the trigger until ready to fire.
- Be aware of your surroundings and ensure a safe backdrop when firing.

- Clean and maintain the slide regularly to ensure optimal performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the slide or any associated components become damaged beyond repair, consult local regulations for proper disposal methods.

Contact Information for Further Support

For further assistance, please refer to the contact information provided by your retailer or manufacturer. They can provide additional guidance on product safety and usage.

Please keep this guide for future reference and ensure that anyone using this product is familiar with its contents. Safety is paramount in the use of firearms and associated components. Thank you for your attention to these important safety instructions.
