

# 1911 OFFICERS RECEIVER W/STD, SS, SMOOTH - OFFICERS RECEIVER W/STD, SS, SMOOTH CHECKERING

[Handgun Parts](#) > [Frame Parts](#) > [Frames](#)

Build an outstanding, custom 1911 using one of these top-quality, single-stack receivers as the foundation. Models and features available for any custom project needs. Precision cast from carbon or stainless steel, and CNC machined to final dimensions. Heat treated to Rc 22-24 for optimum performance and durability. Oversize frame rails allow the gunsmith to achieve an exceptionally tight slide-to-frame fit for more consistent accuracy. Select models available with smooth front strap or with crisp CNC machine-cut checkering. Officers models are available with 25 lpi checkered front strap and available in a plain, uncheckered configuration that accepts standard, unramped barrels.

# Safety Instruction Guide for 1911 Officers Receiver

## Introduction

Thank you for choosing the 1911 Officers Receiver. This product is designed to provide a solid foundation for building a custom 1911 firearm. To ensure your safety and the safety of others, please read this guide carefully. It contains important information regarding safe use, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the safety mechanisms are engaged when the firearm is not in use.
- Store the firearm and receiver in a secure location, away from children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper handling of the firearm can lead to accidental discharge.
- Failure to secure the firearm can result in unauthorized access.
- Inadequate installation may lead to malfunctions.

### • Instructions for Avoiding Hazards:

- Always follow the manufacturer's instructions for installation and usage.
- Ensure that all components are compatible with the receiver.
- Regularly inspect the firearm for any signs of wear or damage.

### • Age or Audience Specific Warnings:

- This product is intended for use by individuals who are legally permitted to own and operate firearms.
- Ensure that all users are adequately trained in firearm safety.

## Instructions for Installation and Usage

### • Installation:

- Ensure you have all necessary tools and components before beginning installation.
- Follow these steps for proper installation:
  1. Read the manufacturer's instructions thoroughly.
  2. Assemble the receiver with compatible components as per the guidelines.
  3. Ensure that all screws and fittings are tightened to the manufacturer's specifications.
  4. Conduct a function check to ensure proper operation before use.

### • Usage:

- Always perform a safety check before using the firearm.
- Load ammunition only in a safe environment.
- Ensure that the firearm is pointed in a safe direction when loading or unloading.
- Engage the safety mechanism when the firearm is not in use.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local authorities for guidance on the safe disposal of firearms and related materials.

## Contact Information for Further Support

For any questions or concerns regarding the safety of the 1911 Officers Receiver, please refer to the appropriate EU contact point for safety inquiries. It is important to stay informed and seek assistance when needed.

By following the guidelines outlined in this safety instruction guide, you can ensure a safe and enjoyable experience with your 1911 Officers Receiver. Always prioritize safety and compliance with regulations to protect yourself and others.
