

1911 SLIDES - CASPIAN CARBON STEEL, RECON MODEL, LOW MOUNT SIGHT CUT, 45

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Superb Strength & Precise Tolerances For The Ultimate Combat Pistol

Custom-quality slides from Caspian, ready to be fitted to the frame of your choice. They start as high-quality forgings for extra strength, then are heat-treated to Rc 38-41 before machining for exceptional dimensional stability. Sides are polished, while the rest of the surface is bead-blasted for a non-glare, matte finish. Deep-cut, forward-angled rear cocking serrations prevent slippage when racking, even with a wet hand. Available in 4340 carbon steel (CS) and 416 stainless steel (SS) with .45 ACP, .40 S&W, and 9mm breechfaces. Commander and Officers models in .45 ACP only. Choose a slide without sight cuts (NC), or between two pre-cut dovetail options: a Novak Lo-Mount or Bo-Mar BMCS rear cut, both coupled with a Novak front cut. Recon slide is a Government slide with ball cuts at the front that line up with the light rail on the Caspian Recon frame (available separately). All slides require the use of a 9mm/.38 Super firing pin.

Attributes

- Name: [CASPIAN CARBON STEEL, RECON MODEL, LOW MOUNT SIGHT CUT, 45](#)
- Manufacturer: [CASPIAN](#)
- Product no.: 168000131

Safety Instruction Guide for 1911 Slides Caspian Carbon Steel, Recon Model

Introduction

Thank you for choosing the 1911 Slides Caspian Carbon Steel, Recon Model. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use when handled according to the instructions provided. Ensure that you follow all safety guidelines to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can check updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the seller adheres to EU safety regulations to guarantee the product's safety.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, ensure you contact a representative in the EU.
- **Rapid Alerts:** Be aware of the Safety Gate system, which provides timely updates on unsafe products.

Specific Safety Precautions for Use

- Always inspect the slide for any signs of damage or wear before installation.
- Ensure the firearm is unloaded before attaching or detaching the slide.
- Use only approved ammunition types as specified in the product description (.45 ACP, .40 S&W, or 9mm).
- Do not modify the slide or firearm in any way that could compromise safety.
- When handling the firearm, always treat it as if it is loaded.
- Ensure a proper grip and stance when racking the slide, especially in wet conditions.
- Use appropriate eye and ear protection when firing.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Align the slide with the frame, ensuring proper fit.
- Secure the slide onto the frame according to the manufacturer's specifications.
- Confirm that the slide moves smoothly without obstruction.

2. Usage:

- Load the firearm with the appropriate ammunition.
- Rack the slide to chamber a round.
- Always check the chamber to ensure a round is properly loaded.
- Engage the safety mechanism when not in use.

3. Maintenance:

- Regularly clean the slide and firearm to prevent buildup of dirt and residue.
- Inspect the slide for wear and tear after each use.

- Store the firearm in a safe and secure location when not in use.

Disposal Instructions

- Dispose of the slide and any related components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local authorities or a licensed disposal service for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your 1911 Slides Caspian Carbon Steel, Recon Model, please refer to the manufacturer's contact details or consult a qualified professional.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on proper handling and usage of this product. Enjoy your shooting experience responsibly.
