

ARBOR ADAPTERS & SHAFT FLANGES - ARBOR ADAPTER, 1/2" ID

[Gunsmith Tools & Supplies](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Buffer Adapters](#)

Gives Polishing Wheels Proper Support; Fit To Any Size Shaft

ARBOR ADAPTERS convert polishing or grinding wheels with 1" arbor opening to fit smaller motor shafts. SHAFT FLANGES give polishing wheels extra side support; provide a bearing surface for the shaft nut so you can lock the wheel down tight.

Safety Instruction Guide for ARBOR ADAPTERS & SHAFT FLANGES

Introduction

Thank you for choosing the ARBOR ADAPTERS & SHAFT FLANGES. This product is designed to convert polishing or grinding wheels with a 1" arbor opening to fit smaller motor shafts, providing enhanced support and stability during use. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Ensure that the product is compatible with your equipment before use.
- Regularly inspect the ARBOR ADAPTERS and SHAFT FLANGES for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from improper installation or use.
 - Risk of damage to equipment if not used correctly.
- **Avoiding Hazards:**
 - Ensure that the motor is turned off and unplugged before installation.
 - Do not exceed the recommended load limits for the ARBOR ADAPTERS and SHAFT FLANGES.
 - Use appropriate personal protective equipment (PPE) such as gloves and safety goggles during installation and operation.
 - Do not modify or alter the product in any way.
 - If you encounter any unusual noises or vibrations during use, stop immediately and inspect the product.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the motor is turned off and unplugged.
 2. Select the appropriate ARBOR ADAPTER for your wheel size (1" arbor opening).
 3. Slide the ARBOR ADAPTER onto the motor shaft until it is securely in place.
 4. Attach the polishing or grinding wheel to the ARBOR ADAPTER.
 5. Secure the wheel using a shaft nut, ensuring it is locked down tight.
 6. If using SHAFT FLANGES, place them on either side of the wheel for additional support before tightening the shaft nut.
- **Usage:**
 - Always wear appropriate PPE when operating the equipment.
 - Start the motor and allow the wheel to reach full speed before beginning work.
 - Do not force the wheel against the material; let the tool do the work.
 - Monitor the tool during use for any signs of malfunction or wear.
 - After use, turn off and unplug the motor before making any adjustments or removing the wheel.

Disposal Instructions

- Dispose of the ARBOR ADAPTERS and SHAFT FLANGES responsibly.
- Follow local regulations for disposal of plastic and metal products.
- Do not dispose of the product in general household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the ARBOR ADAPTERS & SHAFT FLANGES, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website for additional support and information.

Thank you for your attention to these safety instructions. Your safety is our priority.
