

PROTIMER WITH BLUE TOOTH - COMPETITION ELECTRONICS

PROTIMER WITH BLUETOOTH BLUE

[Shooting Accessories](#) > [Range Gear](#) > [Shot Timers](#)

Competition Electronics took all the best parts of our Pocket Pro II design and added improvements to make the ProTimerBT the most sophisticated timer on the market. Now you can get more useful practice session information with our simple built-in user interface, or the PTLINK mobile app. You have the flexibility to collect and review all your shot data at the range right from the timer display and import it to the PTLINK app at any time. You can even add notes and attach a photo of your targets to each shot string. Requires one 9volt alkaline or lithium battery for operation (not included) Features: Low power BLE Bluetooth connectivity for connection to mobile devices and the FREE PTLINK app to catalog your range session data Change timer settings from the PTLINK app. Makes setting up the timer very simple, you can even sync the date/time setting with your phone! Bluetooth Integration with PractiScore apps ProTimerBT firmware updates/upgrades for FREE via the PTLINK app. That's right, you can use the PTLINK mobile app to get notifications and install future upgrades to the timer Built-in 50 string memory and on-screen review, numbered in chronological order with date/time stamp. Stores all shot string data including hit factor scoring info Built-in Hit Factor (points per second) scoring on-screen, after shooting a stage you can navigate to the scoring screen and enter your "points down" to get your hit factor. Once you have entered your total stage points, it is carried over to new strings until you change it Up to 5 Par time settings for multiple beeper alerts at specified time intervals Increased sensitivity capability that can pick up the snap of a finger Start signal LED, bright white 850mcd LED can be used for an alternative start signal. Excellent for hearing impaired or a private practice session. This can be disabled via the menu settings 3.5mm headset jack with adjustable volume, now you can use a set of earbuds (not included) instead of the beeper so others don't hear the timer 2 year warranty against defects in material and workmanship, and a 1/2 retail price repair guarantee Over 30 years of experience in shot timer design and manufacturing Replaceable Alkaline or Lithium 9 volt battery power (not included) for 20+ hours of operation Quality accessories and replacement parts Made in the USA quality and service at a reasonable price

Safety Instructions for PROTIMER WITH BLUE TOOTH

Introduction

Thank you for choosing the PROTIMER WITH BLUE TOOTH by Competition Electronics. This guide provides essential safety instructions to ensure the safe and effective use of your timer. Please read this document thoroughly before using the product.

General Safety Guidelines

- Ensure that the product is used according to the instructions provided in this manual.
- Keep the timer out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of damage or wear. If damaged, stop using the timer immediately.
- Use only the recommended battery type (9volt alkaline or lithium) for operation. Avoid using damaged or leaking batteries.
- Ensure that the timer is used in a safe environment, free from hazards that may cause injury.
- Be cautious when using the timer in a public setting to avoid distraction or confusion among others.

Specific Safety Precautions for Use

- Do not attempt to disassemble or modify the timer, as this may lead to malfunction or safety hazards.
- Avoid exposure to extreme temperatures or moisture, which can damage the device.
- When using the Bluetooth feature, ensure that paired devices are compatible and within the recommended range.
- Be mindful of the LED start signal, especially for individuals with hearing impairments. The LED can be disabled if necessary.
- Use the headset jack with caution to avoid potential hearing damage. Set the volume to a safe level when using earbuds or headphones.
- Always ensure that the timer is turned off when not in use to conserve battery life and prevent accidental activation.

Instructions for Installation and Usage

1. Battery Installation:

- Open the battery compartment and insert one 9volt alkaline or lithium battery (not included).
- Ensure the battery is installed correctly, following the polarity markings.

2. Powering On:

- Press the designated power button to turn on the timer.
- The timer will initialize, and you will see the display activate.

3. Connecting to PTLINK App:

- Download the PTLINK mobile app from your device's app store.
- Follow the app instructions to connect your timer via Bluetooth. Ensure Bluetooth is enabled on your mobile device.
- Once connected, you can access various features, including changing timer settings and reviewing shot data.

4. Setting Timer Functions:

- Use the app to adjust timer settings, including par time settings for multiple alerts.
- Familiarize yourself with the onscreen menu for additional features, such as hit factor scoring.

5. Using the Timer:

- Position the timer securely where it can accurately capture shot data.
- When ready to start your session, use the LED start signal or the app to begin timing.
- After completing a session, review the data and make any necessary notes or adjustments.

6. Turning Off:

- To conserve battery, turn off the timer when it is not in use.
- Press the designated power button to turn off the device.

Disposal Instructions

- Dispose of the timer and batteries in accordance with local regulations for electronic waste.
- Do not dispose of batteries in fire, as they may explode.
- Consider recycling options for both the timer and batteries to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the safety or operation of your PROTIMER WITH BLUE TOOTH, please contact the manufacturer directly. Ensure you have your product details available for reference.

Thank you for following these safety instructions. Enjoy using your PROTIMER WITH BLUE TOOTH for your practice sessions!
