# **Safety Instruction Guide for ULTRA RIFLED #3 CONTOUR BARREL BLANKS DOUGLAS .257 110 TWIST SS #3 CONTOUR ULTRA RIFLED BARREL**

## **Introduction**

Thank you for choosing the ULTRA RIFLED #3 CONTOUR BARREL BLANKS DOUGLAS .257 110 TWIST SS #3 CONTOUR ULTRA RIFLED BARREL. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## **General Safety Guidelines**

- Ensure that all safety measures are followed when handling and using this barrel.
- Always use the barrel in accordance with the manufacturer's specifications and guidelines.
- Store the barrel in a cool, dry place away from direct sunlight and moisture.
- Keep the barrel out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Always wear appropriate safety gear, including eye protection, when using the barrel.
- Ensure that the barrel is properly secured before use to prevent accidents.
- Do not exceed the recommended caliber specifications when using the barrel.
- Avoid using the barrel with incompatible ammunition or equipment.
- Do not attempt to modify or alter the barrel in any way.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Gather all necessary tools and equipment for installation.
- Ensure that the workspace is clean and free from hazards.

### **2. Installation:**

- Carefully read the manufacturer's instructions before beginning the installation process.
- Ensure that the firearm is unloaded and the safety is engaged.
- Remove the old barrel according to the manufacturer's guidelines.
- Install the ULTRA RIFLED #3 barrel by following these steps:
  - Align the barrel with the receiver.
  - Secure the barrel using the appropriate tools, ensuring it is tight and stable.
  - Check for proper alignment before finalizing the installation.

### **3. Usage:**

- Always doublecheck that the barrel is correctly installed before use.
- Load the firearm with the appropriate caliber ammunition as specified.
- Conduct a test fire in a safe and controlled environment to ensure proper function.
- Monitor the barrel for any signs of malfunction during use.

## **Disposal Instructions**

- Dispose of the barrel responsibly and in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the relevant authorities or your point of purchase.

Thank you for your attention to these safety guidelines. Your safety and the safety of others are of utmost importance.
