Safety Instruction Guide for 13/8" Square Patches1000/Bag

Introduction

Thank you for choosing the 13/8" Square Patches1000/Bag by DEWEY. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this manual carefully before use to understand how to handle and utilize the patches effectively while ensuring your safety and compliance with EU regulations.

General Safety Guidelines

- Ensure that the product is used for its intended purpose only.
- Store the patches in a cool, dry place away from direct sunlight.
- Keep the product out of reach of children and pets to prevent accidental ingestion or misuse.
- Inspect the patches for any damage or defects before use. Do not use damaged patches.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as gloves and goggles when handling the patches.
- Avoid inhaling any dust or particles that may be generated during the use of the patches.
- Do not use the patches near open flames or high heat sources.
- Follow the manufacturer's instructions for the specific application to avoid misuse.
- If you experience any adverse reactions while using the product, discontinue use immediately and seek medical attention.

Instructions for Installation and Usage

1. Preparation:

- Ensure the surface where the patch will be applied is clean, dry, and free of debris.
- Gather all necessary tools and materials required for application.

2. Application:

- Remove the patch from the packaging carefully to avoid damage.
- Position the patch on the desired area, ensuring it is aligned correctly.
- Press down firmly on the patch to ensure proper adhesion.

3. PostApplication:

- Allow the patch to set as per the manufacturer's recommendations.
- Do not disturb the patch during the setting period to ensure optimal performance.

Disposal Instructions

- Dispose of any unused patches or packaging materials in accordance with local waste disposal regulations.
- Do not incinerate the patches or packaging materials as they may release harmful substances.
- If you are unsure about disposal methods, consult your local waste management authority for guidance.

Contact Information for Further Support

For any inquiries regarding the product or safety concerns, please contact the manufacturer or consult the relevant authorities. Ensure that you have the product details at hand for efficient assistance.

By adhering to these safety guidelines and instructions, you can ensure the safe and effective use of the 13/8" Square Patches1000/Bag. Thank you for your attention to safety and compliance.
