Safety Instructions

Introduction

Thank you for choosing the Intruder Clear Safety Glasses with Clear Templates by Pyramex Safety Products. These safety glasses are designed to provide protection for your eyes during shooting activities and other environments where eye safety is crucial. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your safety glasses.

General Safety Guidelines

- Always inspect the safety glasses before use for any signs of damage or defects.
- Ensure that the glasses fit properly to provide maximum protection.
- Use the safety glasses in accordance with the intended purpose as specified by the manufacturer.
- Keep the glasses clean and free from scratches to maintain visibility and protection.
- Store the glasses in a protective case when not in use to prevent damage.
- Be aware of your surroundings and potential hazards that may require eye protection.
- Report any accidents or unsafe conditions to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the safety glasses if they are cracked, scratched, or damaged.
- Ensure that the safety glasses are worn at all times in environments where eye hazards are present.
- Avoid using the glasses in situations where they may be exposed to extreme temperatures or chemicals that could degrade the material.
- If you experience any discomfort or vision issues while wearing the glasses, remove them immediately and consult a professional.
- Keep the glasses away from children and ensure they are used only by individuals who understand their purpose and limitations.

Instructions for Installation and Usage

- **Wearing the Glasses:**
 - Place the safety glasses over your eyes, ensuring a snug fit against your face.
 - Adjust the temples to ensure comfort and a secure fit.
- **Cleaning the Glasses:**
 - Use a soft, lintfree cloth to clean the lenses.
 - Avoid using harsh chemicals or abrasive materials that could scratch the lenses.
- **Storing the Glasses:**
 - When not in use, store the glasses in a protective case to avoid scratches and damage.
 - Keep the glasses in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the safety glasses in accordance with local regulations for plastic waste.
- If the glasses are damaged beyond repair, ensure they are recycled if possible or disposed of in a responsible manner.

Contact Information for Further Support

For any inquiries regarding the safety glasses, please refer to the manufacturer's contact information provided on the packaging or visit the official Pyramex Safety Products website.

Thank you for prioritizing your eye safety with the Intruder Clear Safety Glasses. Please follow these guidelines to ensure your safety and the safety of others.
