Radians Mirage Glasses Smoke Safety Instructions

Introduction

Thank you for choosing Radians Mirage Glasses Smoke. These safety glasses are designed to provide protection for your eyes during shooting and other activities. This guide provides important safety instructions and guidelines to ensure your safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always inspect the glasses before use for any signs of damage or defects.
- Ensure that the glasses fit securely and comfortably on your face.
- Do not use the glasses for purposes other than those intended, such as for sports or activities not involving shooting.
- Keep the glasses out of reach of children and vulnerable individuals.
- Report any accidents or unsafe product experiences to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the lenses are clean and free from scratches or dirt before each use.
- Use the glasses in environments where there is a risk of flying debris or projectiles.
- Avoid exposing the glasses to extreme temperatures, as this may affect their integrity.
- Do not attempt to modify or repair the glasses yourself.
- If the glasses become damaged, discontinue use immediately and replace them.

Instructions for Installation and Usage

1. Fitting the Glasses:

- Adjust the arms of the glasses to fit comfortably around your ears.
- Ensure that the nose piece sits securely on your nose without causing discomfort.

2. Using the Glasses:

- Always wear the glasses when engaging in shooting activities or when in environments with potential eye hazards.
- Ensure that the glasses are worn at all times during exposure to potential risks.

3. Cleaning and Maintenance:

- Clean the lenses with a soft, lintfree cloth to avoid scratches.
- Use mild soap and water for deeper cleaning; avoid harsh chemicals that may damage the lenses.
- Store the glasses in a protective case when not in use to prevent damage.

Disposal Instructions

- Dispose of the glasses in accordance with local regulations for waste management.
- If the glasses are damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the glasses in regular household waste if they contain any electronic components.
