Safety Instruction Guide for Lee BI Pro Shell Plate #11

Introduction

Thank you for choosing the Lee BI Pro Shell Plate #11. This product is designed to enhance your reloading experience by providing reliable and efficient shell handling. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the Lee BI Pro Shell Plate #11 in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the shell plate regularly for any signs of wear or damage before use.
- Do not use the shell plate for any purpose other than its intended use in reloading.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the reloading press is securely mounted before attaching the shell plate.
- Avoid placing hands or any body parts near moving parts during operation.
- Use protective eyewear when reloading to prevent injury from debris.
- Do not overload the shell plate beyond its specified capacity.
- Always follow proper reloading procedures and use compatible components.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Align the Lee BI Pro Shell Plate #11 with the mounting points on your reloading press.
- Secure the shell plate using the provided screws, ensuring a tight fit.

2. Usage:

- Load the appropriate shell casings into the shell plate.
- Operate the reloading press according to the manufacturer's guidelines.
- Monitor the operation closely to ensure that the shell plate functions smoothly.
- After use, remove the shell plate and clean it to prevent residue buildup.

Disposal Instructions

- Dispose of the Lee BI Pro Shell Plate #11 in accordance with local regulations.
- Do not discard in regular household waste. Check for recycling options in your area.
- If the product is damaged beyond repair, consider contacting a recycling facility that handles metal products.

Contact Information for Further Support

For any inquiries regarding the Lee BI Pro Shell Plate #11, please refer to the manufacturer's contact information provided on the packaging or the official website.
