Safety Instruction Guide for Lee BI Pro Shell Plate #14

Introduction

Thank you for choosing the Lee BI Pro Shell Plate #14 by Lee Precision. This safety instruction guide is designed to provide you with essential information to ensure the safe and effective use of this product. Please read this guide carefully before using the shell plate to understand its proper use and safety precautions.

General Safety Guidelines

- Ensure that the Lee BI Pro Shell Plate #14 is used only for its intended purpose as a shell holder in reloading applications.
- Always follow the manufacturer's instructions and guidelines when using this product.
- Keep the shell plate out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the shell plate for any signs of wear or damage before use. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Ensure that your work area is welllit and free of clutter to avoid accidents.
- Handle all reloading components with care to prevent spills or accidental discharges.
- Avoid distractions while using the shell plate to maintain focus and safety.
- Do not modify the shell plate or use it in a manner not intended by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is compatible with the Lee BI Pro Shell Plate #14.
- Align the shell plate with the press according to the manufacturer's instructions.
- Secure the shell plate in place, ensuring it is properly seated and locked.

2. Usage:

- Place the appropriate shell casing into the shell plate.
- Follow the reloading process as outlined in your reloading press instructions.
- Monitor the shell plate during use to ensure it is functioning correctly.
- After completing your reloading session, remove the shell plate and clean it as necessary.

Disposal Instructions

- Dispose of the Lee BI Pro Shell Plate #14 in accordance with local regulations for metal products.
- Do not dispose of the shell plate in regular household waste if it is damaged or contains any hazardous materials.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or support related to the Lee BI Pro Shell Plate #14, please refer to the contact information

provided by your retailer or visit the manufacturer's website.

Thank you for prioritizing safety and responsible use. Enjoy your reloading experience with the Lee BI Pro Shell Plate #14!
