

# 75 B 9MM LUGER SEMI-AUTO HANDGUN - 75 B 9MM LUGER 4.6 BBL (2)10RD MAG BLACK

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

75 B 9MM LUGER SEMI-AUTO HANDGUN Designed in 1975, and with over one million produced the entire family of CZ pistols is available based on the basic CZ 75 design: compacts, decockers, single action only, ambidextrous, alloy frames as well as competition pistols. The 75 B features a steel frame, a black polycoat finish, and 3 dot sights. The trademark CZ ergonomics and DA/SA action have made it the most copied handgun design second only to the 1911. The 'B' designation is an indicator that the model is equipped with a firing pin block safety. CZ 75 B is used by more governments, militaries, police and security agencies than any other pistol in the world. The CZ 75 is quite possibly the perfect pistol. FEATURES: All steel construction (except alloy framed compacts) Either standard capacity double column magazines, or California compliant 10 Round magazines. (SKU Dependent) Hammer forged barrels Ergonomic grip and controls Unparalleled accuracy Slide-in-frame design for better recoil control 3 dot sighting system (Tritium night sights available) Smooth double action and crisp single action Extended service life due to advanced design and superior materials Firing pin block safety SPECIFICATIONS: Chambering - 9mm Luger Magazine Capacity - 10 Rounds OR 16 Rounds Frame - Steel Grips - Plastic Trigger Mech - DA/SA Sights - Fixed Three-Dot Barrel - Cold Hammer Forged Barrel Length - 4.6 in Weight - 35.2 oz Overall Length - 8.1 in Height - 5.4 in Width - 1.4 in Safety - Manual Safety, Safety Stop on Hammer, Firing Pin Block Safety

# Safety Instruction Guide for the 75 B 9MM LUGER SEMIAUTO HANDGUN

## Introduction

Thank you for choosing the 75 B 9MM LUGER SEMIAUTO HANDGUN. This guide provides essential safety instructions to ensure the safe use and handling of your firearm. It is crucial to adhere to these guidelines to prevent accidents and ensure compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store firearms securely and out of reach of children and unauthorized users.
- Regularly inspect and maintain your firearm to ensure it is in proper working condition.
- Do not use alcohol or drugs before or while handling firearms.
- Always wear appropriate eye and ear protection when shooting.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the firearm before use.
- Use only the correct type of ammunition specified for this handgun (9mm Luger).
- Avoid using damaged or defective ammunition.
- Never modify or alter the firearm in any way.
- Do not engage in horseplay or distraction while handling the firearm.
- If the firearm fails to fire, keep the muzzle pointed downrange for at least 30 seconds before attempting to clear the malfunction.
- Be cautious of environmental conditions (e.g., wind, rain) that could affect shooting safety.

## Instructions for Installation and Usage

### 1. Unboxing and Initial Inspection

- Carefully remove the handgun and accessories from the packaging.
- Inspect the handgun for any visible damage or defects.
- Ensure that all components, including magazines and safety features, are present and functional.

### 2. Loading the Handgun

- Ensure the firearm is pointed in a safe direction.
- Insert the magazine into the grip until it clicks into place.
- Pull the slide back and release it to chamber a round.
- Check that the safety is engaged before handling further.

### 3. Firing the Handgun

- Ensure you are in a safe and designated shooting area.
- Disengage the manual safety before aiming at your target.
- Take a stable shooting stance and aim at the target.
- Squeeze the trigger gently to fire the shot.
- After firing, maintain muzzle control and be aware of followup shots.

#### **4. Clearing the Handgun**

- Always keep the muzzle pointed in a safe direction.
- Remove the magazine by pressing the magazine release button.
- Pull the slide back to eject any chambered round.
- Visually and physically inspect the chamber to ensure it is clear.

#### **5. Cleaning and Maintenance**

- Clean the handgun regularly using appropriate cleaning supplies.
- Follow the manufacturer's guidelines for disassembly and reassembly.
- Store the handgun in a secure location when not in use.

### **Disposal Instructions**

- Dispose of any unused or expired ammunition in accordance with local regulations.
- If the handgun is to be disposed of, contact a licensed firearms dealer or local law enforcement for guidance on safe disposal methods.

### **Contact Information for Further Support**

For any inquiries regarding the safety or maintenance of your 75 B 9MM LUGER SEMIAUTO HANDGUN, please consult the manufacturer's website or contact customer support directly.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your firearm. Always prioritize safety and be aware of your responsibilities as a firearm owner.
