RCBS Primer Plug/Sleeve/Spring LG Safety Instruction Guide

Introduction

Thank you for choosing the RCBS Primer Plug/Sleeve/Spring LG. This product is designed to assist in the reloading process of ammunition safely and effectively. To ensure your safety and the safety of others, please read this safety instruction guide carefully before using the product.

General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines when using the RCBS Primer Plug/Sleeve/Spring LG.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Use the product in a wellventilated area to avoid inhaling any dust or fumes that may be generated during the reloading process.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading materials.
- Ensure that all components are compatible and properly secured before using the product.
- Avoid overloading the reloading press, as this may cause malfunctions or accidents.
- Store the product in a dry place away from direct sunlight and extreme temperatures to prevent damage.

Instructions for Installation and Usage

1. Installation:

- Carefully unpack the RCBS Primer Plug/Sleeve/Spring LG from its packaging.
- Inspect all components for any visible damage.
- Follow the manufacturer's instructions to correctly install the primer plug, sleeve, and spring onto your reloading press.

2. Usage:

- Ensure that the reloading press is turned off and unplugged before making any adjustments.
- Load the appropriate primer into the primer plug, ensuring it is seated correctly.
- Follow the reloading press's instructions for safely using the RCBS Primer Plug/Sleeve/Spring LG during the reloading process.
- After use, clean any residue from the product to maintain its functionality and safety.

Disposal Instructions

- Dispose of any unused or damaged products in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling or hazardous waste facility.
- Ensure that all components are properly disposed of to prevent environmental contamination.

Contact Information for Further Support

For any safety inquiries or further support regarding the RCBS Primer Plug/Sleeve/Spring LG, please refer to the manufacturer's contact information provided on the product packaging or the official website.

By following these guidelines, you can help ensure a safe and effective reloading experience with the RCBS Primer Plug/Sleeve/Spring LG. Thank you for prioritizing safety in your reloading activities.
