MEC Brass Washer (2/pkg) Replacement Part

Safety Instruction Guide

Introduction

Thank you for choosing the MEC Brass Washer. This product is designed to enhance the performance of your MEC reloading equipment. To ensure safe usage and compliance with EU safety regulations, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle the MEC Brass Washer with care to avoid injury.
- Ensure that the product is used only for its intended purpose as a replacement part for MEC reloading equipment.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek a replacement.

Specific Safety Precautions for Use

- Do not use the MEC Brass Washer if it is damaged or worn.
- Ensure that all tools and equipment used during installation are in good condition.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling or installing the washer.
- Follow all manufacturer guidelines for the specific MEC reloading equipment you are using.
- Be aware of your surroundings and ensure that the workspace is clean and free from hazards.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and equipment required for installation.
- Ensure your MEC reloading equipment is powered off and disconnected from any power source.

2. Installation Steps:

- Remove the old washer from the reloading equipment carefully.
- Inspect the area for any debris or damage.
- Place the new MEC Brass Washer in the appropriate position.
- Ensure that the washer is seated properly and securely.

3. PostInstallation:

- Reassemble any components that were removed during installation.
- Check that all parts are tightened and secure.
- Power on the reloading equipment and perform a test run to ensure proper functionality.

Disposal Instructions

- Dispose of the old washer and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Instead, utilize designated recycling or hazardous waste facilities where applicable.

Contact Information for Further Support

For any inquiries regarding the MEC Brass Washer or safety concerns, please contact your local MEC dealer or refer to the official MEC website for further assistance.

Conclusion

By following these safety instructions, you can help ensure a safe and effective experience with your MEC Brass Washer. Always prioritize safety and compliance with EU regulations when using this product. Thank you for your attention to these important guidelines.
