Lyman .457 H&I Sizing Die Safety Instructions

Introduction

Thank you for choosing the Lyman .457 H&I Sizing Die. This product is designed for use in resizing bullets for rifle cartridges. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the work area is clean and free from distractions.
- Wear appropriate safety gear, such as safety glasses and gloves, when using this product.
- Keep the product out of reach of children and unauthorized users.
- Do not use the product for any purpose other than its intended use.
- Regularly inspect the product for wear and damage; do not use if damaged.

Specific Safety Precautions for Use

- Ensure that the sizing die is compatible with your reloading equipment.
- Avoid using excessive force when resizing bullets to prevent injury or damage to the die.
- Do not attempt to modify or alter the sizing die in any way.
- Be cautious of hot surfaces when using the die, as it may become heated during operation.
- Always follow the manufacturer's guidelines for the specific caliber being resized.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is securely mounted and stable.
- Remove any previous dies from the press if necessary.
- Screw the Lyman .457 H&I Sizing Die into the press until it is firmly in place.
- Adjust the die to the desired height according to the manufacturer's instructions.

2. Usage

- Prepare your bullets by ensuring they are clean and free from debris.
- Insert the bullet into the sizing die according to the instructions provided with your press.
- Apply consistent pressure on the handle of the reloading press to resize the bullet.
- Inspect the resized bullet for proper dimensions and finish.
- Repeat the process for additional bullets as needed.

Disposal Instructions

- Dispose of any damaged or worn components of the sizing die in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Lyman .457 H&I Sizing Die, please refer to the

contact information provided in the product packaging or visit the manufacturer's website.
