

# REMINGTON 660/600 MOHAWK SCOPE BASES - EGW REMINGTON 660/600 MOHAWK 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Remington 660/600 Mohawk Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

## Attributes

- Name: [EGW REMINGTON 660/600 MOHAWK 20 MOA](#)

# Safety Instruction Guide for REMINGTON 660/600 MOHAWK SCOPE BASES

## Introduction

Thank you for choosing the EGW Remington 660/600 Mohawk Scope Bases. This guide provides essential safety instructions and information for the proper use and installation of your scope bases. Please read this document carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure you are familiar with the operation and handling of firearms before using this product.
- Always follow the manufacturer's instructions for your firearm and scope.
- Use the scope bases only for their intended purpose and compatible firearms.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope bases for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure the firearm is unloaded before installation.
- **Torque Specifications:** Use a torque wrench to apply the recommended 20 inch lbs of torque when installing the scope bases.
- **Loctite Application:** Apply a drop of blue loctite to the screws to prevent loosening during use.
- **Scope Compatibility:** Ensure that the scope rings used are compatible with Picatinny or Weaver rails.
- **Weight Considerations:** Be aware that lightweight tactical mounts are designed for weight reduction but should still be securely fastened.
- **Inspection:** After installation, check the stability of the scope and bases before every use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools: a torque wrench, a drop of blue loctite, and a socket head Torx wrench.
- Ensure your firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Locate the factory scope mount holes on your Remington 660/600 Mohawk receiver.
- Position the EGW scope base over the mount holes, ensuring proper alignment.
- Insert the socket head Torx screws into the designated holes.
- Using the torque wrench, tighten each screw to a torque of 20 inch lbs.
- Apply a drop of blue loctite to each screw to secure them.

### 3. Scope Mounting:

- Attach your Picatinny or Weaver scope rings to the installed scope base.
- Follow the manufacturer's instructions for the scope to ensure proper mounting.

### 4. Final Checks:

- Inspect the installation to ensure all screws are tight and secure.
- Test the scope for stability and proper alignment before using the firearm.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding aluminum waste.
- Do not dispose of the product in household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please contact the manufacturer or your local retailer. Always refer to the product documentation for additional information and support.

By following these safety instructions, you can ensure the safe and effective use of your EGW Remington 660/600 Mohawk Scope Bases. Thank you for your attention to safety and responsible firearm handling.
