

# **KNIGHT BOLT ACTION MUZZLELOADER PICATINNY SCOPE MOUNT - EGW KNIGHT BOLT ACTION MUZZLELOADER 1-PC PICATINNY BASE 20 MOA**

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW recommends measuring the hole spacing in your receiver to confirm it matches with the dimensions they have published. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. The channel in the center reduces the overall mass of the mount. Also, in many cases, it will not obstruct usage of factory iron sights. EGW one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. They machine these in their shop using one of their machining centers. After machining, the mounts are tumbled, sand blasted, and Type II anodized for long lasting durability. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately).

## **Attributes**

- Name: [EGW KNIGHT BOLT ACTION MUZZLELOADER 1-PC PICATINNY BASE 20 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000636
- Mfr. No.: 46402
- Colour: Black
- Elevation: 20 MOA
- Material: Aluminum
- Model: Long Range Hunter, Mountaineer, Original Disc, BigHorn, Ultra Light, Master Hunter
- Number of Bases: 1-Piece
- Style: Picatinny Rail
- Weapon type: Knight's Manufacturing Company
- Delivery weight: 0.057kg
- Shipping height: 25mm
- Shipping width: 89mm
- Shipping length: 229mm
- UPC: 841370114535

# **KNIGHT BOLT ACTION MUZZLELOADER PICATINNY SCOPE MOUNT Safety Instruction Guide**

## **Introduction**

Thank you for choosing the KNIGHT BOLT ACTION MUZZLELOADER PICATINNY SCOPE MOUNT. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before installation and usage.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions and guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If you suspect the product may be unsafe or defective, discontinue use immediately and report it to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## **Specific Safety Precautions for Use**

- Confirm that the hole spacing in your receiver matches the dimensions published by EGW.
- Ensure that the Picatinny cross slots are clear of obstructions before mounting.
- Avoid using excessive force during installation to prevent damaging the mount or the firearm.
- Use the recommended torque of 20 inch lbs for securing the mount.
- Apply a drip of blue Loctite to prevent loosening of screws. (Loctite is sold separately.)
- Do not obstruct the use of factory iron sights while mounting the scope.
- Be aware of potential risks when handling tools and equipment during installation.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Gather all necessary tools and materials, including the scope mount, screws, a torque wrench, and blue Loctite.
- Ensure that your workspace is clean and welllit.

### **2. Measuring Hole Spacing**

- Measure the hole spacing in your receiver to confirm compatibility with the EGW dimensions.

### **3. Mounting the Base**

- Align the Picatinny base with the holes on your receiver.
- Insert the screws through the base and into the receiver holes.

### **4. Securing the Mount**

- Using a torque wrench, tighten the screws to the recommended torque of 20 inch lbs.
- Apply a drip of blue Loctite to the screws to secure them in place.

### **5. Final Check**

- Ensure that the mount is securely attached and does not obstruct the use of factory iron sights.

- Doublecheck the alignment and stability of the mounted scope.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Avoid disposing of the product in general waste. Instead, consider recycling options if available.
- Remove any nonrecyclable components and dispose of them responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the product or safety instructions, please reach out to the manufacturer's customer support or consult the official website for additional resources.

By following these safety instructions, you can ensure the safe and effective use of your KNIGHT BOLT ACTION MUZZLELOADER PICATINNY SCOPE MOUNT. Thank you for your attention to safety and compliance with the guidelines provided.
