

SAVAGE 99 HD PICATINNY SCOPE MOUNT - EGW SAVAGE 99 1-PIECE PICATINNY BASE 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW recommends measuring the hole spacing in your receiver to confirm it matches with the dimensions they have published. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. EGW one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. This mount is a Picatinny-style base and compatible with Picatinny or Weaver scope rings. EGW machines these in their shop using one of their machining centers. After machining, the mounts are tumbled, sand blasted, and Type III anodized for long lasting durability. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately). The entire mount and accessories (from the mounting screws and wrench down to the packaging) are made in the USA.

Attributes

- Name: [EGW SAVAGE 99 1-PIECE PICATINNY BASE 0 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000751
- Mfr. No.: 80350

Safety Instruction Guide for SAVAGE 99 HD Picatinny Scope Mount

Introduction

Thank you for choosing the SAVAGE 99 HD Picatinny Scope Mount by EGW. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and accessories with care and follow basic firearm safety rules.
- Inspect the product before each use for any signs of damage or wear.
- Keep out of reach of children and unauthorized users.
- If you encounter any issues with the product, discontinue use and seek assistance.

Specific Safety Precautions for Use

- Verify that the hole spacing in your receiver matches the published dimensions before installation.
- Use only compatible Picatinny or Weaver scope rings with this mount.
- Follow the recommended torque specifications and use blue loctite to secure screws.
- Avoid overtightening screws, as this may damage the mount or the firearm.
- Regularly check the mount and scope rings for any signs of loosening or damage during use.

Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools, including a torque wrench and blue loctite. Ensure that the firearm is unloaded and safe to handle.
2. **Measuring Hole Spacing:**
 - Measure the hole spacing in your receiver to confirm compatibility with the mount.
3. **Mount Installation:**
 - Align the mount with the holes in your receiver.
 - Insert the mounting screws through the mount into the receiver holes.
 - Tighten the screws to a torque of 20 inch lbs.
 - Apply a drip of blue loctite to each screw to ensure a secure fit.
4. **Scope Ring Installation:**
 - Attach your Picatinny or Weaver scope rings to the mount.
 - Follow the scope ring manufacturer's instructions for proper installation.
5. **Final Checks:**
 - Doublecheck all screws and connections to ensure they are secure.
 - Inspect the mount for any signs of damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the SAVAGE 99 HD Picatinny Scope Mount, please reach out to the manufacturer or your point of purchase for assistance.

By following these guidelines and instructions, you can ensure the safe and effective use of your SAVAGE 99 HD Picatinny Scope Mount. Thank you for your attention to safety.
