

# FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 6.5 PRC FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

## Attributes

- Name: [FORSTER PRODUCTS, INC. 6.5 PRC FULL LENGTH DIE SET](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 319000100

# Safety Instruction Guide for Forster Full Length Sizing and Bench Rest Seater Die Sets

## Introduction

Thank you for choosing the Forster Full Length Sizing and Bench Rest Seater Die Sets. These highquality reloading dies are designed to help you produce precise and concentric rounds. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of these dies by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about recalls and product safety updates. Check the EU's Safety Gate platform regularly.
- **Online Shopping:** If you purchased this product online, ensure that the platform complies with safety requirements.
- **Special Consumer Focus:** Keep these dies out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, refer to the contact details provided by your retailer.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates on unsafe products.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand the user manual before using the dies.
- **Personal Protective Equipment:** Wear safety glasses and gloves to protect against metal shavings and debris.
- **Work Environment:** Ensure your workspace is clean, dry, and welllit to prevent accidents.
- **Inspect Tools:** Regularly check the dies and associated tools for wear and tear before each use.
- **Avoid Distractions:** Focus on your work to minimize the risk of accidents.
- **Proper Handling:** Handle the dies with care; avoid dropping or mishandling them.
- **Use Appropriate Equipment:** Only use the dies with compatible reloading equipment.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure your reloading press is securely mounted and stable.
- Clean the die threads and press to remove any debris.

### 2. Installing the Dies:

- Thread the full length sizing die into the press until it is snug.
- Use the Forster Cross Bolt Die Locking Ring to secure the die in place without damaging the threads.

### 3. Using the Full Length Sizing Die:

- Insert an empty cartridge case into the shell holder.
- Raise the ram of the press to size the case.
- Lower the ram and remove the resized case.

### 4. Using the Bench Rest Seater Die:

- Thread the seater die into the press following the same method as the sizing die.

- Insert a bullet into the case mouth and raise the ram to seat the bullet.
- Check the overall length of the cartridge to ensure it meets specifications.

#### 5. **PostUse Care:**

- Clean the dies after each use to prevent corrosion.
- Store the dies in a dry place, preferably in their original packaging.

## **Disposal Instructions**

- **Responsible Disposal:** Dispose of any damaged or worn dies according to local regulations.
- **Recycling:** Check with local authorities for recycling options for metal components.
- **Hazardous Waste:** Do not dispose of any chemicals or lubricants in regular trash. Follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the Forster Full Length Sizing and Bench Rest Seater Die Sets, please refer to the contact information provided by your retailer or manufacturer.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Forster dies. Thank you for your attention to safety, and happy reloading!
