So Universal-Always A Use

BROWNELLS SHOP TWEEZERS The Brownells Shop Tweezers are precision tools designed to assist gunsmiths and firearm enthusiasts in handling small components during maintenance and customization tasks. Measuring 6½ inches (17.1 cm) in length, these nickel-plated tweezers provide extended reach and control, making them ideal for accessing confined spaces within firearm assemblies. Key Features: Extended Length: The 6½-inch length allows for reaching into areas that standard 4-inch tweezers cannot access, facilitating the handling of small parts in tight spaces. Nickel-Plated Finish: The nickel plating enhances durability and provides a smooth surface, ensuring longevity and resistance to corrosion. Precision Tips: Designed for delicate tasks, the fine tips enable secure gripping of small components without causing damage, essential for intricate gunsmithing procedures. Specifications: Length: 6½ inches (17.1 cm) Material: Nickel-plated metal Customer Insights: Customers appreciate the Brownells Shop Tweezers for their extended reach and precision, noting their effectiveness in handling small parts during firearm maintenance. The durable construction and fine tips have been highlighted as valuable features that enhance the efficiency of gunsmithing tasks. Incorporating the Brownells Shop Tweezers into your gunsmithing toolkit ensures you have a reliable tool for managing small components with precision and ease, essential for maintaining and customizing firearms.

Brownells Shop Tweezers Safety Instruction Guide

Introduction

Thank you for choosing the Brownells Shop Tweezers. These precision tools are designed to assist gunsmiths and firearm enthusiasts in handling small components during maintenance and customization tasks. This safety instruction guide provides essential information to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the tweezers as intended for handling small components.
- Keep the tweezers out of reach of children to prevent accidental injury.
- Inspect the tweezers before each use to ensure they are in good condition.
- Avoid using the tweezers for tasks they are not designed for, such as prying or applying excessive force.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Extended Length Caution:** The 6½inch length allows for reaching into confined spaces. Use caution to avoid straining your hand or wrist while using the tweezers.
- **Precision Tips Handling:** The fine tips are designed for delicate tasks. Avoid applying excessive pressure to prevent bending or breaking the tips.
- **Corrosion Awareness:** The nickelplated finish enhances durability but does not make the tweezers immune to corrosion. Keep them dry and clean after use.
- **Proper Storage:** Store the tweezers in a safe location, preferably in a protective case, to prevent damage and maintain their precision.

Instructions for Installation and Usage

1. **Preparation:** Ensure your workspace is clean and welllit before using the tweezers.
2. **Gripping Small Components:**
 - Position the tweezers around the small component you wish to handle.
 - Squeeze the tweezers gently to grip the component securely.
3. **Handling:**
 - Use a steady hand to maneuver the tweezers, especially in tight spaces.
 - Avoid sudden movements that may cause loss of grip or damage to the component.
4. **PostUse Care:**
 - After use, clean the tweezers with a soft cloth to remove any residue.
 - Store the tweezers in a dry location to prevent corrosion.

Disposal Instructions

- Dispose of the tweezers responsibly at the end of their life cycle.
- If the tweezers are damaged or no longer usable, consider recycling them if possible.
- Follow local regulations for the disposal of metal products.

Contact Information for Further Support

For any inquiries or support regarding the Brownells Shop Tweezers, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety guidelines, you can ensure the safe and effective use of your Brownells Shop Tweezers. Thank you for your attention to these important safety instructions.
