

# BARREL BEDDING TOOL - GUNLINE 1" REPLACEMENT CUTTER PAK

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Making Hand Tools](#) > [Barrel Channel Cutting Tools](#)

## Full Control Of Cutting Head At All Times With All Cuts

Perfect, chatter-free cut, shaves out excess wood, leaves barrel channel smooth and ready for barrel without gouging, rasping or final sanding. Cushioned-cutter design keeps hardened steel cutter discs at correct angle to remove wood without "digging in" regardless of amount of pressure. A favorite with pros.

## Attributes

- Name: [GUNLINE 1" REPLACEMENT CUTTER PAK](#)
- Manufacturer: [GUNLINE](#)
- Product no.: 364701900

# Safety Instruction Guide for BARREL BEDDING TOOL GUNLINE 1" REPLACEMENT CUTTER PAK

## Introduction

Thank you for choosing the BARREL BEDDING TOOL GUNLINE 1" REPLACEMENT CUTTER PAK. This guide provides important safety instructions to ensure the safe use of the product. Please read this manual carefully before using the tool to avoid any hazards.

## General Safety Guidelines

- Ensure the tool is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the tool.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- Do not use the tool if it is damaged or malfunctioning.
- Follow all local regulations and guidelines regarding the use of tools and equipment.

## Specific Safety Precautions for Use

- Always use the tool in a wellventilated area to avoid inhaling dust or debris.
- Avoid loose clothing and jewelry that may get caught in the tool.
- Maintain a firm grip on the tool while in use to prevent slips and accidents.
- Do not apply excessive pressure while cutting; let the tool do the work.
- Ensure that the workpiece is securely clamped or held in place before cutting.
- Be cautious of sharp edges and blades when handling the tool and replacement cutters.
- Never leave the tool unattended while it is in operation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the work area is clean and free of obstacles.
- Gather all necessary materials and tools before starting.

### 2. Installing the Replacement Cutter:

- Disconnect the tool from any power source if applicable.
- Remove the old cutter by unscrewing it from the tool.
- Align the replacement cutter with the tool's mounting area.
- Securely fasten the replacement cutter in place according to the manufacturer's instructions.

### 3. Using the Tool:

- Position the tool at the desired angle for cutting.
- Turn on the tool (if applicable) and allow it to reach full speed before making contact with the workpiece.
- Gradually lower the tool onto the workpiece, applying light pressure.
- Move the tool smoothly along the cutting path, avoiding sudden movements.
- After completing the cut, turn off the tool and allow it to come to a complete stop before setting it down.

#### **4. PostUse Care:**

- Clean the tool and remove any debris after use.
- Store the tool in a dry and secure location, away from children.

## **Disposal Instructions**

- Dispose of the tool and any damaged parts in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Consider recycling options for metal and plastic components where available.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the BARREL BEDDING TOOL GUNLINE 1" REPLACEMENT CUTTER PAK, please consult the manufacturer's website or customer service resources for assistance.

By adhering to these guidelines, you can ensure a safe and effective experience while using the BARREL BEDDING TOOL GUNLINE 1" REPLACEMENT CUTTER PAK. Thank you for your attention to safety.
