

MONOGRIPS - HOGUE RUBBER GRIP FITS TAURUS TRACKER

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Finger-Grooved, Palmswell Design For A Solid, Hand-Filling Grip

One-piece construction keeps the grip rock-solid on the frame - no shift or wobble to destroy concentration and accuracy. Ergonomic design positions right- or left-hand exactly, shot after shot; plus helps absorb recoil. Nylon and rubber grips feature a stippled surface that stops hand slip without causing clothing wear when carried in a holster. Rubber, Round-To-Square grips give the appearance and feel of a comfortable, hand-filing square grip on factory, round-grip frames.

Attributes

- Name: [HOGUE RUBBER GRIP FITS TAURUS TRACKER](#)
- Manufacturer: [HOGUE](#)

MONOGRIPS HOGUE RUBBER GRIP SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MONOGRIPS HOGUE RUBBER GRIP designed for the Taurus Tracker. This product is engineered for enhanced comfort and control during use. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the grip is compatible with your firearm model before installation.
- Regularly inspect the grip for any signs of wear or damage.
- Always handle your firearm safely and responsibly, following all local laws and regulations.
- Keep the grip clean and free of debris to maintain optimal performance.
- Store your firearm and grip in a secure location, out of reach of children and unauthorized users.
- In case of any safety concerns, report them to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the grip with firearms that it is designed for, specifically the Taurus Tracker.
- Ensure that your firearm is unloaded before installing or removing the grip.
- Be aware of your surroundings when handling your firearm to avoid accidents.
- Use protective eyewear when shooting to safeguard against potential debris.
- Avoid using the grip in extreme weather conditions that may affect its performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip from the firearm by unscrewing it carefully.
- Align the MONOGRIPS HOGUE RUBBER GRIP with the frame of the firearm.
- Secure the grip in place using the provided screws, ensuring it is tightly fitted to prevent movement.

2. Usage:

- Hold the firearm with the installed grip firmly, maintaining a proper shooting stance.
- Position your fingers on the grip to ensure maximum control and comfort.
- Practice shooting with the grip to become familiar with its feel and handling.

Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding rubber and plastic waste.
- Do not incinerate the grip, as it may release harmful substances when burned.
- If the grip is damaged beyond use, consider contacting a local recycling center for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MONOGRIPS HOGUE RUBBER GRIP, please refer to the

manufacturer's contact information provided in the product packaging or on the official website.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your MONOGRIPS HOGUE RUBBER GRIP with confidence and care.
