

MONOGRIPS - HOGUE RUBBER GRIP FITS S&W N ROUND

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Finger-Grooved, Palmswell Design For A Solid, Hand-Filling Grip

One-piece construction keeps the grip rock-solid on the frame - no shift or wobble to destroy concentration and accuracy. Ergonomic design positions right- or left-hand exactly, shot after shot; plus helps absorb recoil. Nylon and rubber grips feature a stippled surface that stops hand slip without causing clothing wear when carried in a holster. Rubber, Round-To-Square grips give the appearance and feel of a comfortable, hand-filing square grip on factory, round-grip frames.

Attributes

- Name: [HOGUE RUBBER GRIP FITS S&W N ROUND](#)

MONOGRIPS HOGUE RUBBER GRIP SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MONOGRIPS HOGUE Rubber Grip designed to fit Smith & Wesson N Frame firearms. This guide provides essential safety instructions to ensure the safe use and maintenance of your grip. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the grip.
- Keep the grip and firearm out of reach of children and unauthorized users.
- Regularly inspect the grip for wear or damage. Replace it if any issues are found.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Specific Safety Precautions for Use

- Ensure a proper fit: This grip is designed specifically for Smith & Wesson N Frame firearms. Using it on incompatible models may lead to safety risks.
- Avoid excessive force: When installing the grip, do not use excessive force that may damage the firearm or the grip itself.
- Maintain a secure hold: The ergonomic design helps absorb recoil, but always maintain a firm grip to ensure control during use.
- Monitor grip condition: The stippled surface is designed to prevent slippage, but ensure it remains clean and free from oils or contaminants.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing grip from the firearm by unscrewing or detaching it as per the manufacturer's instructions.
- Align the MONOGRIPS HOGUE Rubber Grip with the frame of the firearm.
- Secure the grip in place using the provided screws or fasteners, ensuring it is tightly fitted but not overtightened.

2. Usage:

- Hold the firearm with both hands, ensuring your dominant hand is on the grip.
- Position your fingers around the grip, ensuring a secure and comfortable hold.
- When firing, maintain your stance and focus on your target to enhance accuracy.
- After use, clean the grip with a damp cloth to remove any dirt or moisture.

Disposal Instructions

- Dispose of the grip in accordance with local regulations.
- Do not incinerate or expose the grip to extreme heat, as this may release harmful substances.
- If the grip is damaged beyond repair, consider recycling materials where possible.

Contact Information for Further Support

For any safety inquiries or support regarding the MONOGRIPS HOGUE Rubber Grip, please contact the appropriate local authority or the manufacturer.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy the enhanced performance and comfort of your MONOGRIPS HOGUE Rubber Grip.
