

MONOGRIPS - HOGUE RUBBER GRIP FITS RUGER® SP101®

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Finger-Grooved, Palmswell Design For A Solid, Hand-Filling Grip

One-piece construction keeps the grip rock-solid on the frame - no shift or wobble to destroy concentration and accuracy. Ergonomic design positions right- or left-hand exactly, shot after shot; plus helps absorb recoil. Nylon and rubber grips feature a stippled surface that stops hand slip without causing clothing wear when carried in a holster. Rubber, Round-To-Square grips give the appearance and feel of a comfortable, hand-filing square grip on factory, round-grip frames.

Attributes

- Name: [HOGUE RUBBER GRIP FITS RUGER® SP101®](#)
- Manufacturer: [HOGUE](#)
- Product no.: 408502101

MONOGRIPS HOGUE RUBBER GRIP SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MONOGRIPS HOGUE RUBBER GRIP designed for the RUGER® SP101®. This guide provides essential safety instructions to ensure the safe and effective use of your grip. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the grip is compatible with your specific model (RUGER® SP101®).
- Always handle your firearm responsibly and in accordance with local laws and regulations.
- Keep the grip and firearm out of reach of children and unauthorized users.
- Regularly inspect the grip for wear and tear. If damaged, discontinue use immediately.
- Be aware that the grip is designed to enhance comfort and control but does not replace safe firearm handling practices.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure the firearm is unloaded before installing the grip.
- Follow the installation instructions carefully to avoid improper fitting.

• Usage Precautions:

- Maintain a firm grip on the firearm at all times.
- Practice shooting with the grip to familiarize yourself with its feel and handling.
- Always be aware of your surroundings and ensure a safe shooting environment.

• Recoil Management:

- The grip is designed to absorb recoil; however, be prepared for the firearm's natural response during firing.

• Clothing Considerations:

- Be cautious when carrying the firearm in a holster to prevent wear on clothing from the grip's stippled surface.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing grip from the firearm by following the manufacturer's instructions.
- Align the MONOGRIPS HOGUE RUBBER GRIP with the frame of the firearm.
- Secure the grip in place using the appropriate screws or fasteners provided.
- Check that the grip is firmly attached and does not shift or wobble.

2. Usage:

- Hold the firearm with both hands, ensuring your fingers are positioned in the finger grooves of the grip.
- Take a stable shooting stance, keeping your feet shoulderwidth apart.
- Aim at your target and focus on your sight alignment.
- Squeeze the trigger gently while maintaining control of the firearm.

Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding rubber and plastic waste.
- Do not dispose of the grip in regular household waste if it is damaged or contains hazardous materials.
- Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the MONOGRIPS HOGUE RUBBER GRIP, please reach out to the appropriate EUbased contact point.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your MONOGRIPS HOGUE RUBBER GRIP. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
