BIPOD ADAPTER HARRIS #6A Safety Instruction Guide

Introduction

Thank you for choosing the BIPOD ADAPTER HARRIS #6A. This guide provides essential safety information, installation instructions, and usage tips to ensure a safe and effective experience with your bipod adapter. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the bipod adapter is compatible with your equipment before use.
- Inspect the adapter for any visible damage before installation. Do not use if damaged.
- Follow all local laws and regulations regarding the use of bipods and accessories.
- Keep the adapter out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Always ensure that the bipod adapter is securely attached to the bipod and rail before use.
- Do not exceed the manufacturer's recommended weight limit for the bipod and adapter.
- Avoid using the adapter in adverse weather conditions that may compromise safety.
- Do not modify or alter the bipod adapter in any way.
- Use the adapter only for its intended purpose as specified in the product description.

Instructions for Installation and Usage

1. Compatibility Check

- Confirm that the BIPOD ADAPTER HARRIS #6A fits your bipod model (1A2 or S Series).

2. Installation Steps

- Ensure the bipod is clean and free of debris.
- Align the adapter with the rail on your bipod.
- Slide the adapter into place until it is fully seated.
- Secure the adapter using the provided locking mechanism.

3. Usage Guidelines

- After installation, test the stability of the adapter by gently applying pressure.
- Use the bipod in a stable environment for optimal performance.
- Regularly check the attachment and ensure it remains secure during use.

Disposal Instructions

- Dispose of the BIPOD ADAPTER HARRIS #6A in accordance with local waste management regulations.
- Do not dispose of the adapter in household waste if it is damaged or contains hazardous materials.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the BIPOD ADAPTER HARRIS #6A, please consult the manufacturer's website or customer service for assistance.
