

# **MAGPUL® FLIGHT GLOVE 2.0 - MAGPUL FLIGHT GLOVE 2.0 BLACK LARGE 1-PAIR**

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Building on the advancements our Magpul Flight Glove made to traditional Nomex® flight gloves worn by military aviators since the 1960s, the Magpul Flight Glove 2.0 adds an updated fit and modern materials to create a superior tactile and protective solution to a “government issue” solution. Fitting like a second skin, the Flight Glove 2.0 includes ambidextrous three-finger touchscreen capability and is at home inside the cockpit or during any high dexterity task where protection is needed, such as welding or working on engines. The back of the hand is built from a combination of Nomex and Kevlar®, offering flash-resistance, flame, and anti-static protection. The durable goatskin leather palm and fingers provide true physical feedback and tactile feel of equipment operational controls, firearms, and other manually operated devices while keeping you comfortable and protected from the surrounding environment

- Flash-resistant Nomex and Kevlar back of hand for flame and anti-static protection
- Durable and soft one-piece goatskin leather palm and finger construction for enhanced feel and control of firearms
- Ambidextrous three-finger touchscreen capability
- Gauntlet coverage extends past the wrist
- Subdued branding for better camouflage and concealment
- Excellent flexibility and dexterity
- Clip strap loops for easy storage and transport

# MAGPUL® FLIGHT GLOVE 2.0 Safety Instruction Guide

## Introduction

Thank you for choosing the MAGPUL® Flight Glove 2.0. This product is designed to provide superior tactile feedback and protection for high dexterity tasks. Please read this safety instruction guide carefully to ensure safe use and maintenance of your gloves.

## General Safety Guidelines

- Ensure safe use of the MAGPUL Flight Glove 2.0 by following these general safety guidelines:
  - Always inspect the gloves for wear and damage before use.
  - Use the gloves only for their intended purpose, which includes tasks requiring high dexterity and protection.
  - Keep the gloves away from open flames and extreme heat sources.
  - Avoid contact with sharp objects that could puncture or tear the gloves.
  - Ensure that the gloves fit properly to avoid accidents or injuries.

## Specific Safety Precautions for Use

- To maximize safety while using the MAGPUL Flight Glove 2.0, please observe the following precautions:
  - Do not use the gloves in environments where they may be exposed to hazardous chemicals unless specifically designed for such use.
  - Avoid using the gloves when handling hot surfaces or materials without additional protective gear.
  - If you experience any discomfort or irritation while wearing the gloves, remove them immediately and consult a medical professional if necessary.
  - Do not modify or alter the gloves in any way, as this may compromise their protective qualities.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of your MAGPUL Flight Glove 2.0:

1. **Wearing the Gloves:**
  - Ensure your hands are clean and dry before wearing the gloves.
  - Slip your hands into the gloves, ensuring a snug fit without excessive tightness.
  - Adjust the gauntlet coverage to extend past the wrist for optimal protection.
2. **Touchscreen Capability:**
  - The gloves feature ambidextrous threefinger touchscreen capability. Use the designated fingers to operate touchscreen devices.
3. **Care and Maintenance:**
  - Regularly clean the gloves according to the manufacturer's guidelines to maintain their protective qualities.
  - Store the gloves in a cool, dry place away from direct sunlight when not in use.

## Disposal Instructions

- To dispose of the MAGPUL Flight Glove 2.0 responsibly:
  - Check local regulations for proper disposal methods of textile products.
  - If the gloves are damaged or no longer usable, consider recycling options if available.
  - Do not dispose of the gloves in regular household waste if they contain hazardous materials.

## **Contact Information for Further Support**

- For any inquiries regarding safety or product information, please refer to the contact point provided with your product packaging or on the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your MAGPUL Flight Glove 2.0. Always prioritize safety and wellbeing while using protective gear. Thank you for your attention to these guidelines.
