Safety Instruction Guide for GEN 2 Stripped Lower Receiver for AR15

Introduction

Thank you for choosing the GEN 2 Stripped Lower Receiver for AR15 by Aero Precision. This product is designed to be the perfect base for your custom AR15 build. To ensure your safety and the safe use of this product, please read and follow all instructions and guidelines outlined in this document.

General Safety Guidelines

- Always treat this product as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the lower receiver and any associated components securely and out of reach of children and unauthorized users.
- Use the product only with compatible AR15 components and magazines.
- Regularly inspect the lower receiver for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm assembly and ownership.
- If you are unsure about any aspect of firearm assembly or use, seek assistance from a qualified gunsmith.

Specific Safety Precautions for Use

- **Upper Tension Screw:** Ensure that the upper tension screw is properly adjusted to maintain a secure fit between the upper and lower receiver.
- **Magwell Flare:** Be cautious when inserting magazines; ensure that the magazine is oriented correctly to avoid jamming.
- **Installation:** Follow the installation instructions carefully to avoid misalignment or improper fitting of components.
- **Handling:** Always handle the lower receiver with care, especially when installing or removing components.
- **Maintenance:** Keep the lower receiver clean and lubricated according to the manufacturer's recommendations.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all necessary tools and components for assembly.
- Work in a clean, welllit environment to avoid losing small parts.

2. Installation Steps:

- Begin by securing the lower receiver on a stable work surface.
- Install the nylon tipped tensioning set screw in the grip tang of the lower receiver to adjust the fit with the upper receiver.
- Align the rear takedown pin and detent hole with the corresponding components of the upper receiver.
- Insert the pivot and takedown pins into their respective holes (.250" or 6.3mm) and ensure they are seated properly.
- Confirm that the hammer and trigger pins (.154" or 3.9mm) are also correctly installed.

3. Usage:

- Once assembled, ensure that the firearm operates smoothly by performing a function check.
- Test the fit and function of the magazine to ensure proper seating and release.

4. PostUsage:

- After use, clean the lower receiver and inspect for any signs of wear or damage.
- Store the lower receiver in a secure location.

Disposal Instructions

- Dispose of the lower receiver and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Contact local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety or use of the GEN 2 Stripped Lower Receiver, please refer to the manufacturer's website or customer service resources.

This safety instruction guide is designed to help you use the GEN 2 Stripped Lower Receiver for AR15 safely and effectively. Always prioritize safety and follow all guidelines to ensure a positive experience with your firearm.
