

PLACARD 5.56X45 - SPIRITUS SYSTEMS PLACARD 5.56 X .45, COYOTE BROWN

[Home](#)

The LV Placard was designed to give users superior retention of magazines and other mission critical equipment. The usage of elastic creates form fitting cells that can hold a variety different items. The stretchy nature of elastic allows it to expand to accommodate large or oddly shaped pieces of equipment. Unlike other elastic pouches on the market, we utilize webbing at the base of the system instead of sewing it completely shut. This allows for maximum flex and articulation and assists in eliminating the "birthing" effect (this is where items begin to be pushed out of the pouch because the elastic tapers at the bottom). We have also added laminate loops on the outside of each cell to allow for the attachment of retention loops or to allow you to pull the pouch open to insert items more easily. The back of the placard is fully lined with hard loop velcro for a secure fitment to your plate carrier. The LV Placard is more than just a placard. Each corner has a small loop of 1" webbing. This webbing is used to attach the included ITW Nexus hardware, turning your placard into a Nano sized chest rig. The LVP is compatible with many other accessories listed below: Bungee Retention Kit Sub Abdominal Carry Kit (SACK) Lunch Box Pouch Expander Wings Fat Straps Back Strap Skinny Straps The Hook

Attributes

- Name: [SPIRITUS SYSTEMS PLACARD 5.56 X .45, COYOTE BROWN](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430100620
- Mfr. No.: PL-556-PV-CB
- Colour: Coyote Brown
- Delivery weight: 0.156kg
- Shipping height: 13mm
- Shipping width: 178mm
- Shipping length: 279mm

Consumer Safety Instruction Guide for PLACARD 5.56X45 SPIRITUS SYSTEMS

Introduction

Thank you for choosing the PLACARD 5.56X45 from SPIRITUS SYSTEMS. This guide provides important safety information, usage instructions, and disposal guidelines to ensure the safe and effective use of your product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure that the PLACARD is used according to the instructions provided to avoid any risk of injury or damage.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product by checking official sources.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of children to prevent accidents.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Inspect Before Use:** Always inspect the PLACARD for any signs of wear or damage before each use. Do not use if damaged.
- **Proper Fitment:** Ensure that the PLACARD is securely attached to your plate carrier to prevent it from coming loose during use.
- **Avoid Overloading:** Do not exceed the recommended load capacity of the PLACARD. Overloading can lead to failure and potential injury.
- **Elastic Limitations:** Be aware that while the elastic components provide flexibility, they may have limitations in holding certain shapes or sizes of equipment.
- **Secure Attachments:** Make sure that all attachments and accessories are properly secured to avoid accidental detachment during use.

Instructions for Installation and Usage

1. Attaching the PLACARD:

- Align the PLACARD with the mounting points on your plate carrier.
- Use the hard loop Velcro on the back of the PLACARD to secure it in place.
- Ensure that the PLACARD is firmly attached and does not shift when pulled.

2. Loading the PLACARD:

- Open the elastic cells and load magazines or equipment as needed.
- Ensure that items are inserted fully into the cells to prevent them from falling out.
- Use the laminate loops on the outside of each cell for additional retention if necessary.

3. Converting to a Chest Rig:

- Use the included ITW Nexus hardware to attach the webbing loops at each corner.
- Adjust the straps to ensure a comfortable and secure fit.

4. **Maintenance:**

- Regularly check the PLACARD for signs of wear, especially the elastic components and attachment points.
- Clean the PLACARD with a damp cloth as needed. Do not use harsh chemicals that may damage the materials.

Disposal Instructions

- **Environmental Considerations:** Dispose of the PLACARD responsibly. Do not dispose of it in regular household waste.
- **Recycling:** If possible, recycle materials according to local regulations. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For questions or concerns regarding the PLACARD 5.56X45, please refer to the contact information provided by your retailer or manufacturer for assistance.

Thank you for choosing SPIRITUS SYSTEMS. Your safety and satisfaction are our priorities.
