

# VICKERS 2-TO-1 RED SWIVEL SLING - BLUE FORCE GEAR VICKERS PADDED 2-TO-1 RED SWIVEL SLING OD GREEN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

While 2-point slings are ideal for most situations, there are times, like deploying from a vehicle or fighting in complex structures, when a 1-point sling has a clear advantage. Combining Blue Force Gear's new polymer Burnsed Socket and patented RED Swivel, the Vickers 221 Sling allows users to switch from 2-point to 1-point mode instantly by pulling on the RED Swivel knob and reinserting it in to the Burnsed Socket at the rear of the receiver. The instantaneous adjustability of the sling is still maintained in both 1 and 2 point modes. Constructed similar to the world's standard Vickers Combat Applications Sling™, a RED™ Swivel is sewn to the front of the sling towards the muzzle. A standard push button swivel and new molded Burnsed Socket are woven onto the rear allowing full adjustability of the sling for use with or without body armor. The 221™ Sling fits any weapon with two QD sling swivel sockets with the rear socket towards the end of the receiver. For SCARS, Sigs, HKs, or other weapon systems with eyelets at the rear of the receiver, a Universal Wire Loop with Push Button Socket can be added instead of the included push button socket. Sling Build: 1.25" sling webbing 2.00" tubular webbing with closed cell foam padding for padded models Invista solution dyed CORDURA® webbing ITW GhilleTex™ Acetal hardware - a military grade, low IR plastic RED™ Swivel Build: Machined steel, phosphated for maximum corrosion resistance Nylon coated, double crimped directly to 7 strand stainless steel aircraft cable Textured sphero-conical shaped pull knob Stainless Steel internals

## Attributes

- Name: [BLUE FORCE GEAR VICKERS PADDED 2-TO-1 RED SWIVEL SLING OD GREEN](#)
- Manufacturer: [BLUE FORCE GEAR](#)
- Product no.: 430100705
- Mfr. No.: VCAS-2TO1-PB-20
- Colour: O.D. Green
- Material: Nylon
- Style: 2-point Sling
- Width: 2"
- Delivery weight: 0.202kg
- Shipping height: 51mm
- Shipping width: 159mm
- Shipping length: 140mm
- UPC: 812114020122

# VICKERS 2TO1 RED SWIVEL SLING USER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Vickers 2TO1 Red Swivel Sling by Blue Force Gear. This product is designed for versatility and safety in various situations, including tactical operations and outdoor activities. Please read this safety instruction guide carefully to ensure proper use and maintenance of the sling.

## General Safety Guidelines

- **Product Safety:** Ensure the sling is used only for its intended purpose. Always check for wear and damage before use.
- **Enhanced Recalls:** Stay informed about any product recalls and safety notices related to this sling.
- **Online Shopping:** If purchased online, verify that the seller complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information provided with the product.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Inspect Before Use:** Always inspect the sling for any signs of wear, fraying, or damage before each use.
- **Proper Fit:** Ensure that the sling is properly adjusted for your body size and the type of equipment being used.
- **Avoid Overloading:** Do not exceed the weight limit specified by the manufacturer for the sling.
- **Use with Compatible Equipment:** Ensure that the sling is used with compatible weapon systems that have two QD sling swivel sockets.
- **Secure Attachment:** Make sure the sling is securely attached to the weapon and the Burnsed Socket before use.
- **Avoid Sharp Edges:** Be cautious of sharp edges on the weapon or surrounding environment that could damage the sling.
- **Training:** Familiarize yourself with the operation of the sling, including switching between 2point and 1point modes, before engaging in any activity.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the front of the sling to the weapon's QD sling swivel socket.
- Secure the rear of the sling to the rear QD sling swivel socket.
- Ensure that the sling is properly threaded through the Burnsed Socket.

### 2. Adjusting the Sling:

- To switch from 2point to 1point mode, pull on the RED Swivel knob.
- Reinsert the knob into the Burnsed Socket at the rear of the receiver.
- Adjust the length of the sling using the Acetal triglides to ensure a snug fit.

### 3. Using the Sling:

- When in 2point mode, the sling should allow for stable support of the weapon.
- In 1point mode, ensure that the sling allows for quick transitions and mobility.

- Always maintain control of the weapon while using the sling.

## **Disposal Instructions**

- When the sling has reached the end of its useful life or is damaged beyond repair, dispose of it responsibly.
- Do not dispose of the sling in regular household waste. Instead, check local regulations for proper disposal methods for textile and plastic materials.

## **Contact Information for Further Support**

For any further assistance or inquiries regarding the Vickers 2TO1 Red Swivel Sling, please refer to the contact information provided with your product. Ensure you have the model number and purchase details ready when seeking support.

By following these safety instructions, you can help ensure a safe and effective experience with your Vickers 2TO1 Red Swivel Sling. Always prioritize safety and proper usage to enjoy the full benefits of this versatile product.
