

# UNIVERSAL WIRE LOOP - BLUE FORCE GEAR UNIVERSAL LOOP LONG 6.25" BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

## Fast, Easy, Versatile Sling Attachment System; No Gunsmithing

Nylon-coated, stainless steel cable with permanently attached sling loop provides simple, easy-to-install, ambidextrous sling attachment on any rifle or shotgun. Thread around barrel and forend, through buttstock swivel studs, or through front sight towers to create an instant, no-gunsmithing sling attachment point. Lightweight yet strong aluminum loop accepts slings up to 1¼" wide. Stainless steel shank ends can't pull loose, while nylon coating on cable prevents damage to firearm and muffles unwanted sound. Short lengths let you choose the length that fits best fits your application.

# **Safety Instruction Guide for UNIVERSAL WIRE LOOP BLUE FORCE GEAR UNIVERSAL LOOP LONG 6.25" BLACK**

## **Introduction**

Thank you for purchasing the Universal Wire Loop by Blue Force Gear. This product is designed to provide a secure and easytoinstall sling attachment for your rifle or shotgun. It is important to read and follow these safety instructions to ensure proper use and to minimize any risks associated with the product.

## **General Safety Guidelines**

- Always ensure the firearm is unloaded before attaching or detaching the sling loop.
- Regularly inspect the loop for any signs of wear or damage before each use.
- Do not exceed the weight limit of the sling or the loop.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories.

## **Specific Safety Precautions for Use**

- Ensure that the nyloncoated cable does not come into contact with sharp edges or heat sources.
- When threading the loop around the barrel and forend, ensure that it is securely fastened and does not interfere with the operation of the firearm.
- Avoid using the loop in situations where it may be subjected to sudden force or impact.
- Do not modify the loop or its components in any way, as this may compromise safety.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is unloaded.
- Choose the desired location for the sling attachment point.
- Thread the nyloncoated cable around the barrel and forend, or through the buttstock swivel studs, or through front sight towers.
- Adjust the length of the cable as needed to fit your application.
- Ensure that the aluminum loop is securely attached and that it accepts slings up to 1¼" wide.

### **2. Usage:**

- Once installed, check the stability of the sling attachment before use.
- When using the sling, ensure it is properly adjusted to fit your body and firearm comfortably.
- Regularly check the attachment point during use to ensure it remains secure.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling center if available.
- Ensure that any damaged components are disposed of safely to avoid any potential hazards.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact their customer support directly. Always ensure you have the product model and any relevant details ready when seeking assistance.

By following these guidelines, you can ensure safe and effective use of the Universal Wire Loop by Blue Force Gear. Thank you for your attention to these important safety instructions.
