

GMT (GIVE ME TAIL) SLING - BLUE FORCE GEAR GMT SLING 1" WIDTH COYOTE BROWN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The GMT Sling – Give Me Tail Blue Force Gear revolutionized the tactical sling industry when they introduced their famous VCAS captured tail design. The GMT sling addresses the deficiencies found in legacy designs for those who prefer a tail sling. Legacy tail slings suffer from two major deficiencies. First, metal adjustment buckles that rust, break and damage other gear. These buckles also have springs that often fail leaving the sling useless. Next is the inferior thin webbing used with these buckles. This thin webbing is required to allow the buckle to adjust but it's also uncomfortable as it cut into the user's neck and shoulders while simultaneously becoming a major snag hazard on surrounding equipment. The GMT sling uses a custom double locking buckle interface designed and manufactured specifically for this application from durable and rust free glass-filled nylon. This adjuster provides consistent tension when both tightening and loosening the sling. Once set, it doesn't move until you want it to. Over two years in the design and development phase, this adjuster is the heart of the GMT sling. Pull on the tail to tighten, grasp and pull the spherical release knob to loosen. A sewn in stop at the end of the tail keeps the sling from coming apart and releasing your weapon.

Attributes

- Name: [BLUE FORCE GEAR GMT SLING 1" WIDTH COYOTE BROWN](#)
- Manufacturer: [BLUE FORCE GEAR](#)
- Product no.: 430100765
- Mfr. No.: GMT-100-OA-CB
- Colour: Coyote Brown
- Material: Nylon
- Style: 2-point Sling
- Width: 1"
- Delivery weight: 0.159kg
- Shipping height: 25mm
- Shipping width: 127mm
- Shipping length: 127mm
- UPC: 810073651050

GMT Sling Safety Instruction Guide

Introduction

Thank you for choosing the GMT Sling – Give Me Tail by Blue Force Gear. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your sling. Please read through this document carefully before using the product.

General Safety Guidelines

- Ensure the sling is used only for its intended purpose.
- Regularly inspect the sling for wear, damage, or defects before each use.
- Keep the sling away from sharp objects and extreme heat sources.
- Be aware of your surroundings while using the sling to avoid accidents.
- Ensure the sling is securely attached to your weapon before use.
- Follow all local laws and regulations regarding the use of slings and tactical gear.

Specific Safety Precautions for Use

- The GMT Sling is designed for adult users. Keep out of reach of children.
- Avoid using the sling if it shows any signs of wear or damage.
- Do not exceed the recommended load capacity of the sling.
- When adjusting the sling, ensure that your fingers are clear of the buckle to prevent pinching.
- Always ensure that the tail is fully secured to prevent accidental release of your weapon.

Instructions for Installation and Usage

1. Installation:

- Attach the sling to your weapon using the provided attachment points.
- Ensure that the custom double locking buckle interface is securely fastened.
- Pull on the tail to tighten the sling around your body or gear.

2. Adjustment:

- To tighten the sling, pull on the tail.
- To loosen the sling, grasp and pull the spherical release knob.
- Ensure that the adjustment is secure and does not shift during use.

3. Safety Check:

- After installation and adjustment, check that the sling is functioning properly.
- Verify that the sewn-in stop at the end of the tail is intact to prevent accidental release.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For safety inquiries or additional support regarding your GMT Sling, please refer to the contact information provided on the packaging or visit the manufacturer's website.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your GMT Sling. Thank you for your attention to safety, and enjoy your product!
