

# GMT (GIVE ME TAIL) SLING - BLUE FORCE GEAR GMT SLING 1" WIDTH MULTICAM

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The GMT Sling – Give Me Tail Blue Force Gear revolutionized the tactical sling industry when they introduced their famous VCAS captured tail design. The GMT sling addresses the deficiencies found in legacy designs for those who prefer a tail sling. Legacy tail slings suffer from two major deficiencies. First, metal adjustment buckles that rust, break and damage other gear. These buckles also have springs that often fail leaving the sling useless. Next is the inferior thin webbing used with these buckles. This thin webbing is required to allow the buckle to adjust but it's also uncomfortable as it cut into the user's neck and shoulders while simultaneously becoming a major snag hazard on surrounding equipment. The GMT sling uses a custom double locking buckle interface designed and manufactured specifically for this application from durable and rust free glass-filled nylon. This adjuster provides consistent tension when both tightening and loosening the sling. Once set, it doesn't move until you want it to. Over two years in the design and development phase, this adjuster is the heart of the GMT sling. Pull on the tail to tighten, grasp and pull the spherical release knob to loosen. A sewn in stop at the end of the tail keeps the sling from coming apart and releasing your weapon.

## Attributes

- Name: [BLUE FORCE GEAR GMT SLING 1" WIDTH MULTICAM](#)
- Manufacturer: [BLUE FORCE GEAR](#)
- Product no.: 430100766
- Mfr. No.: GMT-100-OA-MC
- Colour: Multi-Cam
- Material: Nylon
- Style: 2-point Sling
- Width: 1"
- Delivery weight: 0.159kg
- Shipping height: 25mm
- Shipping width: 127mm
- Shipping length: 127mm
- UPC: 810073651067

# GMT Sling Safety Instruction Guide

## Introduction

Thank you for choosing the GMT Sling by Blue Force Gear. This product is designed to enhance your tactical experience while ensuring your safety and comfort. Please read this safety instruction guide carefully to understand how to use the GMT Sling safely and effectively.

## General Safety Guidelines

- Ensure the sling is compatible with your equipment before use.
- Regularly inspect the sling for wear and damage.
- Do not use the sling if any components are broken or malfunctioning.
- Keep the sling away from sharp objects and extreme heat to prevent damage.
- Store the sling in a cool, dry place when not in use.
- Always ensure that the sling is properly adjusted before use to avoid accidents.

## Specific Safety Precautions for Use

- Avoid using the sling in environments where it may become entangled in machinery or other equipment.
- Be cautious when adjusting the sling to prevent pinching or injury to your fingers.
- Ensure that the tail of the sling is secured and does not dangle loosely, which could pose a tripping hazard.
- If using in a tactical situation, ensure that the sling does not obstruct your movement or visibility.
- Keep the sling away from children and vulnerable individuals who may not understand its use.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the sling to your weapon according to the manufacturer's instructions.
- Ensure that the double locking buckle is securely fastened.
- Adjust the length of the sling to fit your body comfortably.

### 2. Usage:

- To tighten the sling, pull on the tail gently until the desired tension is achieved.
- To loosen the sling, grasp the spherical release knob and pull gently.
- Always check that the sling is securely fastened before moving.
- If you need to release your weapon, ensure that the sewn stop at the end of the tail is functioning properly to prevent accidental release.

## Disposal Instructions

- Dispose of the GMT Sling in accordance with local regulations.
- Do not dispose of the sling in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling the materials if possible.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the GMT Sling, please contact the manufacturer directly. Ensure you have your product details readily available for efficient assistance.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your

experience with the GMT Sling!
