

# GMT (GIVE ME TAIL) SLING - GMT SLING 1" WIDTH OD GREEN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The GMT Sling - Give Me Tail Blue Force Gear revolutionized the tactical sling industry when they introduced their famous VCAS captured tail design. The GMT sling addresses the deficiencies found in legacy designs for those who prefer a tail sling. Legacy tail slings suffer from two major deficiencies. First, metal adjustment buckles that rust, break and damage other gear. These buckles also have springs that often fail leaving the sling useless. Next is the inferior thin webbing used with these buckles. This thin webbing is required to allow the buckle to adjust but it's also uncomfortable as it cut into the user's neck and shoulders while simultaneously becoming a major snag hazard on surrounding equipment. The GMT sling uses a custom double locking buckle interface designed and manufactured specifically for this application from durable and rust free glass-filled nylon. This adjuster provides consistent tension when both tightening and loosening the sling. Once set, it doesn't move until you want it to. Over two years in the design and development phase, this adjuster is the heart of the GMT sling. Pull on the tail to tighten, grasp and pull the spherical release knob to loosen. A sewn in stop at the end of the tail keeps the sling from coming apart and releasing your weapon.

## Attributes

- Name: [GMT SLING 1" WIDTH OD GREEN](#)
- Manufacturer: [BLUE FORCE GEAR](#)
- Product no.: 430100767
- Mfr. No.: GMT-100-OA-OD
- Color: Olive Drab Green
- Material: Nylon
- Style: 2-point Sling
- Width: 1"
- UPC: 810073651074

# GMT Sling Safety Instructions

## Introduction

Thank you for choosing the GMT Sling (Give Me Tail) by Blue Force Gear. This safety instruction guide is designed to help you use the product safely and effectively. Please read this document carefully before using the sling to ensure a safe experience.

## General Safety Guidelines

- Ensure that the sling is used only for its intended purpose.
- Regularly inspect the sling for signs of wear or damage before each use.
- Do not exceed the recommended weight limit of the sling.
- Keep the sling away from sharp objects and extreme heat sources.
- Store the sling in a dry and cool place when not in use.
- Be aware of your surroundings while using the sling to avoid accidents.

## Specific Safety Precautions for Use

- **Adjustment Buckle:** The GMT Sling features a custom double locking buckle interface. Ensure that the buckle is securely locked before use to prevent accidental release.
- **Webbing:** The sling is made of durable nylon. Avoid using the sling with any equipment that could cause undue stress or damage to the webbing.
- **Tail Functionality:** When pulling the tail to tighten, ensure that your fingers are clear of the buckle to avoid pinching.
- **Release Mechanism:** To loosen the sling, grasp and pull the spherical release knob. Ensure that the area around you is clear before loosening the sling to avoid dropping your weapon.
- **Children and Vulnerable Groups:** Keep the sling out of reach of children and individuals who may not understand how to use it safely.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the sling to your weapon's designated attachment points.
- Ensure that the sling is securely fastened and that all buckles are locked in place.

### 2. Usage:

- Adjust the sling to your desired length by pulling on the tail to tighten or using the spherical release knob to loosen.
- Make sure that the sling is comfortable and does not dig into your neck or shoulders.
- Maintain awareness of your surroundings while using the sling to ensure safe handling of your weapon.

## Disposal Instructions

- Dispose of the GMT Sling responsibly at the end of its life cycle.
- If the sling is damaged beyond repair, consider recycling the materials where possible.
- Follow local regulations for the disposal of textile products.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the contact information provided with your product packaging or visit the manufacturer's website for more details.

Thank you for prioritizing safety while using the GMT Sling. Your awareness and adherence to these guidelines will help ensure a safe and effective experience.
