

# GMT (GIVE ME TAIL) SLING - BLUE FORCE GEAR GMT SLING 1" WIDTH RANGER GREEN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The GMT Sling – Give Me Tail Blue Force Gear revolutionized the tactical sling industry when they introduced their famous VCAS captured tail design. The GMT sling addresses the deficiencies found in legacy designs for those who prefer a tail sling. Legacy tail slings suffer from two major deficiencies. First, metal adjustment buckles that rust, break and damage other gear. These buckles also have springs that often fail leaving the sling useless. Next is the inferior thin webbing used with these buckles. This thin webbing is required to allow the buckle to adjust but it's also uncomfortable as it cut into the user's neck and shoulders while simultaneously becoming a major snag hazard on surrounding equipment. The GMT sling uses a custom double locking buckle interface designed and manufactured specifically for this application from durable and rust free glass-filled nylon. This adjuster provides consistent tension when both tightening and loosening the sling. Once set, it doesn't move until you want it to. Over two years in the design and development phase, this adjuster is the heart of the GMT sling. Pull on the tail to tighten, grasp and pull the spherical release knob to loosen. A sewn in stop at the end of the tail keeps the sling from coming apart and releasing your weapon.

## Attributes

- Name: [BLUE FORCE GEAR GMT SLING 1" WIDTH RANGER GREEN](#)
- Manufacturer: [BLUE FORCE GEAR](#)
- Product no.: 430100768
- Mfr. No.: GMT-100-OA-RG
- Colour: Ranger Green
- Material: Nylon
- Style: 2-point Sling
- Width: 1"
- Delivery weight: 0.091kg
- Shipping height: 229mm
- Shipping width: 51mm
- Shipping length: 203mm
- UPC: 810073652583

# GMT Sling Safety Instruction Guide

## Introduction

Thank you for choosing the GMT Sling by Blue Force Gear. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your sling. Please read this document carefully before using the product.

## General Safety Guidelines

- Always inspect the sling before each use to ensure it is in good condition.
- Do not use the sling if any part is damaged or worn.
- Ensure that the sling is suitable for your specific weapon and usage needs.
- Keep the sling and all accessories out of reach of children.
- Be aware of your surroundings while using the sling to prevent accidents.
- Follow all local laws and regulations regarding the use of tactical slings.

## Specific Safety Precautions for Use

- **Avoid sharp edges:** Ensure that the sling does not come into contact with sharp objects that could cause damage.
- **Secure attachment:** Always ensure that the sling is securely attached to your weapon before use.
- **Regular maintenance:** Clean the sling regularly to prevent dirt and debris from affecting its performance.
- **Proper fit:** Adjust the sling to fit comfortably and securely on your body to avoid discomfort during use.
- **Tail management:** Be cautious with the tail of the sling to prevent snagging on other equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the attachment points on your weapon.
- Securely attach the sling using the double locking buckle interface.
- Ensure that the buckle is locked and that the sling is secure.

### 2. Adjustment:

- To tighten the sling, pull on the tail until you achieve the desired tension.
- To loosen the sling, grasp and pull the spherical release knob.
- Ensure that the adjustment is secure and does not shift during use.

### 3. Usage:

- Always maintain a firm grip on your weapon while using the sling.
- Adjust the sling as necessary for comfort and stability.
- Be aware of the positioning of the sling and ensure it does not obstruct movement.

## Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the sling in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the GMT Sling, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety instructions. Your safety is paramount, and following these guidelines will help ensure a safe and effective experience with your GMT Sling.
