

# GMT (GIVE ME TAIL) SLING - BLUE FORCE GEAR GMT SLING 1.25" WIDTH BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The GMT Sling - Give Me Tail Blue Force Gear revolutionized the tactical sling industry when they introduced their famous VCAS captured tail design. The GMT sling addresses the deficiencies found in legacy designs for those who prefer a tail sling. Legacy tail slings suffer from two major deficiencies. First, metal adjustment buckles that rust, break and damage other gear. These buckles also have springs that often fail leaving the sling useless. Next is the inferior thin webbing used with these buckles. This thin webbing is required to allow the buckle to adjust but it's also uncomfortable as it cut into the user's neck and shoulders while simultaneously becoming a major snag hazard on surrounding equipment. The GMT sling uses a custom double locking buckle interface designed and manufactured specifically for this application from durable and rust free glass-filled nylon. This adjuster provides consistent tension when both tightening and loosening the sling. Once set, it doesn't move until you want it to. Over two years in the design and development phase, this adjuster is the heart of the GMT sling. Pull on the tail to tighten, grasp and pull the spherical release knob to loosen. A sewn in stop at the end of the tail keeps the sling from coming apart and releasing your weapon.

## Attributes

- Name: [BLUE FORCE GEAR GMT SLING 1.25" WIDTH BLACK](#)
- Manufacturer: [BLUE FORCE GEAR](#)
- Product no.: 430100770
- Mfr. No.: GMT-125-OA-BK
- Colour: Black
- Material: Nylon
- Style: 2-point Sling
- Width: 1.25
- Delivery weight: 0.073kg
- Shipping height: 216mm
- Shipping width: 64mm
- Shipping length: 191mm
- UPC: 812114029705

# GMT Sling Safety Instruction Guide

## Introduction

Thank you for choosing the GMT Sling – Give Me Tail by Blue Force Gear. This guide provides essential safety instructions to ensure the safe and effective use of your sling. Please read this document carefully before use to familiarize yourself with the safety guidelines and operating procedures.

## General Safety Guidelines

- Ensure the sling is free from any damage before use.
- Regularly inspect the sling for signs of wear, tear, or malfunction.
- Keep the sling away from sharp objects that may cause damage.
- Do not exceed the weight limit specified by the manufacturer.
- Always use the sling in accordance with the intended purpose.
- Store the sling in a cool, dry place when not in use.
- Be aware of your surroundings when using the sling to avoid accidents.

## Specific Safety Precautions for Use

- The GMT Sling is designed for adult use. Keep out of reach of children.
- Always ensure the sling is securely attached to your weapon before use.
- Avoid adjusting the sling while in motion to prevent accidents.
- Do not use the sling if the adjustment buckle or webbing shows signs of damage.
- When tightening or loosening the sling, ensure that your hands are clear of the adjustment mechanism.
- Be cautious of the sling snagging on other equipment or obstacles during use.

## Instructions for Installation and Usage

### 1. Installation

- Identify the attachment points on your weapon.
- Securely attach the sling to the designated points using the provided hardware.
- Ensure that the adjustment buckle is easily accessible for use.

### 2. Usage

- To tighten the sling, pull on the tail until the desired tension is achieved.
- To loosen the sling, grasp the spherical release knob and pull to release tension.
- Ensure that the sewn-in stop at the end of the tail is intact to prevent the sling from coming apart.

### 3. Adjustments

- Make adjustments only when the weapon is not in use.
- Check the tension of the sling before each use to ensure proper fit and security.

## Disposal Instructions

- Dispose of the GMT Sling in accordance with local regulations.
- Do not dispose of the sling in regular household waste if it is damaged. Instead, take it to a designated waste disposal facility.

## **Contact Information for Further Support**

For any safety inquiries, concerns, or support regarding your GMT Sling, please refer to the contact information provided by the retailer or manufacturer. They will assist you with any questions or issues you may have.

## **Conclusion**

By following these safety instructions, you can ensure the safe use of your GMT Sling. Always prioritize safety and be aware of your surroundings while using this product. Thank you for your commitment to safety and responsible usage.
