

# GMT (GIVE ME TAIL) SLING - BLUE FORCE GEAR GMT SLING 1.25" WIDTH COYOTE BROWN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The GMT Sling - Give Me Tail Blue Force Gear revolutionized the tactical sling industry when they introduced their famous VCAS captured tail design. The GMT sling addresses the deficiencies found in legacy designs for those who prefer a tail sling. Legacy tail slings suffer from two major deficiencies. First, metal adjustment buckles that rust, break and damage other gear. These buckles also have springs that often fail leaving the sling useless. Next is the inferior thin webbing used with these buckles. This thin webbing is required to allow the buckle to adjust but it's also uncomfortable as it cut into the user's neck and shoulders while simultaneously becoming a major snag hazard on surrounding equipment. The GMT sling uses a custom double locking buckle interface designed and manufactured specifically for this application from durable and rust free glass-filled nylon. This adjuster provides consistent tension when both tightening and loosening the sling. Once set, it doesn't move until you want it to. Over two years in the design and development phase, this adjuster is the heart of the GMT sling. Pull on the tail to tighten, grasp and pull the spherical release knob to loosen. A sewn in stop at the end of the tail keeps the sling from coming apart and releasing your weapon.

## Attributes

- Name: [BLUE FORCE GEAR GMT SLING 1.25" WIDTH COYOTE BROWN](#)
- Manufacturer: [BLUE FORCE GEAR](#)
- Product no.: 430100771
- Mfr. No.: GMT-125-OA-CB
- Colour: Coyote Brown
- Material: Nylon
- Style: 2-point Sling
- Width: 1.25
- Delivery weight: 0.163kg
- Shipping height: 32mm
- Shipping width: 127mm
- Shipping length: 127mm
- UPC: 810073651012

# GMT Sling Safety Instruction Guide

## Introduction

Thank you for choosing the GMT Sling – Give Me Tail by Blue Force Gear. This product is designed for tactical use and aims to provide a reliable and comfortable experience. To ensure your safety and the optimal performance of the sling, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Ensure the sling is used only for its intended purpose.
- Regularly inspect the sling for any signs of wear, damage, or malfunction.
- Keep the sling away from sharp objects or extreme heat sources.
- Store the sling in a dry and cool place when not in use.
- Always follow the instructions for installation and usage provided in this guide.
- Be aware of your surroundings when using the sling to avoid accidents.

## Specific Safety Precautions for Use

- The GMT Sling is designed for adult users. Keep it out of reach of children.
- Avoid using the sling in situations where it may get caught or snagged on equipment or obstacles.
- When adjusting the sling, ensure that it is not under tension to prevent injury.
- Do not exceed the manufacturer's weight limit for the sling. Overloading can cause failure.
- If you notice any unusual sounds or movement during use, stop immediately and inspect the sling.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the attachment points on your weapon.
- Thread the sling through the attachment points according to the desired configuration.
- Ensure that the custom double locking buckle is securely fastened.
- Check that the sewn-in stop at the end of the tail is properly positioned.

### 2. Adjusting the Sling:

- To tighten the sling, pull on the tail until the desired tension is achieved.
- To loosen the sling, grasp and pull the spherical release knob gently.
- Always ensure that the sling is adjusted to a comfortable fit before use.

### 3. Using the Sling:

- Always maintain a firm grip on your weapon when using the sling.
- Be cautious while moving to avoid entanglement with the sling.
- Ensure that the sling does not obstruct your movement or visibility.

## Disposal Instructions

- When the sling has reached the end of its usable life, dispose of it in accordance with local regulations.
- Do not dispose of the sling in regular household waste. Check for recycling options for nylon materials.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the GMT Sling, please refer to the contact information provided by your retailer or manufacturer.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your GMT Sling. Regular maintenance and awareness of your surroundings will help prevent accidents and enhance your tactical experience. Thank you for your attention to safety.
