

# GMT (GIVE ME TAIL) SLING - BLUE FORCE GEAR GMT SLING 1.25" WIDTH MULTICAM

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The GMT Sling – Give Me Tail Blue Force Gear revolutionized the tactical sling industry when they introduced their famous VCAS captured tail design. The GMT sling addresses the deficiencies found in legacy designs for those who prefer a tail sling. Legacy tail slings suffer from two major deficiencies. First, metal adjustment buckles that rust, break and damage other gear. These buckles also have springs that often fail leaving the sling useless. Next is the inferior thin webbing used with these buckles. This thin webbing is required to allow the buckle to adjust but it's also uncomfortable as it cut into the user's neck and shoulders while simultaneously becoming a major snag hazard on surrounding equipment. The GMT sling uses a custom double locking buckle interface designed and manufactured specifically for this application from durable and rust free glass-filled nylon. This adjuster provides consistent tension when both tightening and loosening the sling. Once set, it doesn't move until you want it to. Over two years in the design and development phase, this adjuster is the heart of the GMT sling. Pull on the tail to tighten, grasp and pull the spherical release knob to loosen. A sewn in stop at the end of the tail keeps the sling from coming apart and releasing your weapon.

## Attributes

- Name: [BLUE FORCE GEAR GMT SLING 1.25" WIDTH MULTICAM](#)
- Manufacturer: [BLUE FORCE GEAR](#)
- Product no.: 430100772
- Mfr. No.: GMT-125-OA-MC
- Colour: Multi-Cam
- Material: Nylon
- Style: 2-point Sling
- Width: 1.25
- Delivery weight: 0.163kg
- Shipping height: 32mm
- Shipping width: 127mm
- Shipping length: 127mm
- UPC: 810073651029

# GMT Sling Safety Instruction Guide

## Introduction

Thank you for choosing the GMT Sling – Give Me Tail by Blue Force Gear. This product is designed to enhance your tactical experience while ensuring safety and reliability. Please read this safety instruction guide thoroughly to ensure proper use and maintenance of your sling.

## General Safety Guidelines

- Ensure safe use of the GMT Sling according to the guidelines provided in this manual.
- Regularly inspect the sling for any signs of wear or damage before each use.
- Avoid using the sling in conditions that may compromise its integrity, such as extreme weather or exposure to harmful chemicals.
- Keep the sling away from children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of tactical equipment.

## Specific Safety Precautions for Use

- **Inspection:** Before each use, check for fraying, tears, or any damage to the sling or buckles. Do not use if damaged.
- **Adjusting the Sling:** Always ensure the adjuster is securely locked in place after making adjustments. Pull on the tail to tighten and use the spherical release knob to loosen.
- **Weight Limit:** Do not exceed the recommended weight limit for the sling. Ensure that the load is evenly distributed.
- **Avoid Snagging:** Be mindful of surrounding equipment and avoid areas where the sling may snag, which could lead to accidental release or injury.
- **Correct Usage:** Always use the sling according to its intended design as a twopoint tactical sling.

## Instructions for Installation and Usage

- **Installation:**
  1. Attach the sling to the designated points on your weapon according to the manufacturer's guidelines.
  2. Ensure that the attachment points are secure and that the sling is properly oriented for use.
  3. Adjust the sling length to fit your body comfortably.
- **Usage:**
  1. To tighten the sling, pull on the tail until the desired tension is achieved.
  2. To loosen the sling, grasp the spherical release knob and pull it gently while allowing the sling to slide.
  3. Always ensure that the sewnin stop at the end of the tail is intact to prevent the sling from coming apart.

## Disposal Instructions

- When the GMT Sling reaches the end of its usable life, dispose of it responsibly.
- Check local regulations for proper disposal methods for nylon products.
- Do not dispose of the sling in regular household waste if it can be recycled or reused.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your GMT Sling, please contact the manufacturer or your local retailer.

Thank you for choosing the GMT Sling by Blue Force Gear. Your safety is our priority, and we hope you enjoy using your new tactical sling.
