

GMT (GIVE ME TAIL) SLING - BLUE FORCE GEAR GMT SLING 1.25" WIDTH RANGER GREEN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The GMT Sling – Give Me Tail Blue Force Gear revolutionized the tactical sling industry when they introduced their famous VCAS captured tail design. The GMT sling addresses the deficiencies found in legacy designs for those who prefer a tail sling. Legacy tail slings suffer from two major deficiencies. First, metal adjustment buckles that rust, break and damage other gear. These buckles also have springs that often fail leaving the sling useless. Next is the inferior thin webbing used with these buckles. This thin webbing is required to allow the buckle to adjust but it's also uncomfortable as it cut into the user's neck and shoulders while simultaneously becoming a major snag hazard on surrounding equipment. The GMT sling uses a custom double locking buckle interface designed and manufactured specifically for this application from durable and rust free glass-filled nylon. This adjuster provides consistent tension when both tightening and loosening the sling. Once set, it doesn't move until you want it to. Over two years in the design and development phase, this adjuster is the heart of the GMT sling. Pull on the tail to tighten, grasp and pull the spherical release knob to loosen. A sewn in stop at the end of the tail keeps the sling from coming apart and releasing your weapon.

Attributes

- Name: [BLUE FORCE GEAR GMT SLING 1.25" WIDTH RANGER GREEN](#)
- Manufacturer: [BLUE FORCE GEAR](#)
- Product no.: 430100774
- Mfr. No.: GMT-125-OA-RG
- Colour: Ranger Green
- Material: Nylon
- Style: 2-point Sling
- Width: 1.25
- Delivery weight: 0.091kg
- Shipping height: 229mm
- Shipping width: 38mm
- Shipping length: 203mm
- UPC: 810073652590

GMT Sling Safety Instruction Guide

Introduction

Thank you for choosing the GMT Sling by Blue Force Gear. This guide provides important safety instructions and guidelines to ensure safe and effective use of your sling. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure the sling is properly adjusted before use to prevent accidents.
- Regularly inspect the sling for signs of wear or damage.
- Do not use the sling if it shows any signs of wear, such as fraying or broken components.
- Keep the sling away from sharp objects and extreme heat to prevent damage.
- Ensure that the sling is used only for its intended purpose.
- Store the sling in a cool, dry place when not in use.
- Follow all local laws and regulations regarding the use of tactical gear.

Specific Safety Precautions for Use

- Always ensure that your weapon is unloaded when attaching or adjusting the sling.
- Avoid placing the sling near moving parts or machinery.
- Be cautious of the sling's adjustment mechanism; keep fingers clear when tightening or loosening.
- Use the sling only with compatible weapons as specified by the manufacturer.
- Do not exceed the weight limit specified by the manufacturer for safe usage.
- Avoid using the sling in situations where it may become snagged or entangled.

Instructions for Installation and Usage

1. Installation:

- Attach the sling to the designated attachment points on your weapon.
- Ensure that the sling is securely fastened and that all buckles are locked in place.
- Adjust the length of the sling to ensure a comfortable fit.

2. Usage:

- To tighten the sling, pull on the tail of the sling.
- To loosen the sling, grasp and pull the spherical release knob.
- Ensure that the sewn-in stop at the end of the tail is intact to prevent accidental release.
- Regularly check the adjustment mechanism for functionality before each use.

Disposal Instructions

- When the sling reaches the end of its useful life, dispose of it responsibly.
- Do not dispose of the sling in regular household waste.
- Contact your local waste management facility for proper disposal methods, especially for materials that may be recyclable.

Contact Information for Further Support

For any safety inquiries or concerns regarding your GMT Sling, please consult the product packaging or visit the manufacturer's website for further support.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority. Enjoy using your GMT Sling responsibly!
