

GMT (GIVE ME TAIL) SLING - BLUE FORCE GEAR GMT SLING 1.25" WIDTH WOLF GRAY

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The GMT Sling – Give Me Tail Blue Force Gear revolutionized the tactical sling industry when they introduced their famous VCAS captured tail design. The GMT sling addresses the deficiencies found in legacy designs for those who prefer a tail sling. Legacy tail slings suffer from two major deficiencies. First, metal adjustment buckles that rust, break and damage other gear. These buckles also have springs that often fail leaving the sling useless. Next is the inferior thin webbing used with these buckles. This thin webbing is required to allow the buckle to adjust but it's also uncomfortable as it cut into the user's neck and shoulders while simultaneously becoming a major snag hazard on surrounding equipment. The GMT sling uses a custom double locking buckle interface designed and manufactured specifically for this application from durable and rust free glass-filled nylon. This adjuster provides consistent tension when both tightening and loosening the sling. Once set, it doesn't move until you want it to. Over two years in the design and development phase, this adjuster is the heart of the GMT sling. Pull on the tail to tighten, grasp and pull the spherical release knob to loosen. A sewn in stop at the end of the tail keeps the sling from coming apart and releasing your weapon.

Attributes

- Name: [BLUE FORCE GEAR GMT SLING 1.25" WIDTH WOLF GRAY](#)
- Manufacturer: [BLUE FORCE GEAR](#)
- Product no.: 430100775
- Mfr. No.: GMT-125-OA-WF
- Colour: Wolf Grey
- Material: Nylon
- Style: 2-point Sling
- Width: 1.25
- Delivery weight: 0.073kg
- Shipping height: 229mm
- Shipping width: 76mm
- Shipping length: 191mm
- UPC: 810073652606

GMT Sling Safety Instruction Guide

Introduction

Thank you for choosing the GMT Sling by Blue Force Gear. This guide provides important safety information to ensure the safe use of your sling. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the sling is compatible with your equipment before use.
- Regularly inspect the sling for signs of wear, damage, or malfunction.
- Keep the sling out of reach of children and vulnerable individuals.
- Avoid using the sling in conditions that may compromise its integrity, such as extreme temperatures or exposure to harmful chemicals.
- In case of an emergency or malfunction, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure the sling is securely attached to your weapon before use.
- Do not exceed the recommended weight limit for the sling.
- Be cautious of the sling's tail when adjusting; it may retract quickly.
- Avoid placing your fingers or other body parts near the adjustment buckle during use.
- If you experience any discomfort while using the sling, adjust the fit or discontinue use.

Instructions for Installation and Usage

1. Installation

- Attach the sling's attachment points to your weapon according to the manufacturer's instructions.
- Ensure that all connections are secure and free from obstructions.
- Adjust the length of the sling to fit your body comfortably.

2. Usage

- To tighten the sling, pull on the tail until the desired tension is achieved.
- To loosen the sling, grasp and pull the spherical release knob gently.
- Ensure the sewn-in stop at the end of the tail is positioned correctly to prevent accidental release.
- Always maintain awareness of your surroundings while using the sling to avoid entanglement.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged or no longer needed, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it contains materials that could harm the environment.

Contact Information for Further Support

For any inquiries or support regarding the GMT Sling, please refer to the manufacturer's contact information provided on the packaging or their official website.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy the use of your GMT Sling responsibly.
