CHAMBER SAFETY FLAGS USER MANUAL

Introduction

Thank you for choosing the Chamber Safety Flags by Shooting Made Easy. This product is designed to enhance safety during the handling and storage of firearms. Please read this manual carefully to ensure proper usage and to adhere to safety guidelines.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the chamber safety flag is properly inserted into the chamber before handling the firearm.
- Keep firearms pointed in a safe direction at all times.
- Store firearms in a secure location, away from children and unauthorized users.
- Regularly inspect the chamber safety flag for any signs of damage or wear before each use.
- If you notice any issues with the product, discontinue use immediately and report the issue.

Specific Safety Precautions for Use

- The chamber safety flag is intended for use with semiauto pistols, rifles, and shotguns only.
- Do not use the chamber safety flag as a substitute for proper firearm safety practices.
- Do not attempt to modify the chamber safety flag in any way.
- Keep the chamber safety flag out of reach of children when not in use.
- If the flag is damaged, do not use it and dispose of it responsibly.

Instructions for Installation and Usage

1. Inserting the Chamber Safety Flag:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Open the action of the firearm to visually confirm it is empty.
- Insert the chamber safety flag into the chamber until it is fully seated. The flag should be visible from the exterior of the firearm.

2. Using the Flag as a Tool:

- The end of the flag can be utilized as a nonmarring pin punch to push out takedown/pivot pins on an AR15/M16 or trigger pins on other firearms.
- The flat edge of the flag head can be used on scope windage and elevation knobs instead of a slot head screwdriver.

3. Removing the Chamber Safety Flag:

- Open the action of the firearm again to ensure it is pointed in a safe direction.
- Carefully pull the chamber safety flag out of the chamber.

Disposal Instructions

- Dispose of damaged or worn chamber safety flags in accordance with local regulations.
- Do not dispose of the chamber safety flag in regular household waste if it is damaged. Instead, take it to a designated disposal facility for hazardous materials.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Chamber Safety Flags, please contact the manufacturer through the provided channels on the packaging or the official website.

Regulatory Compliance

This product complies with the EU General Product Safety Regulation (GPSR). The following points are addressed: * Potential hazards associated with improper use of firearms and the importance of using safety flags. * Clear instructions for avoiding hazards associated with firearm handling and storage. * This product is not intended for use by children. Please ensure it is stored safely out of reach.

Conclusion

Your safety is our priority. By following the guidelines and instructions provided in this manual, you can ensure a safer experience while handling firearms. Thank you for your commitment to responsible firearm ownership.
