# FIREMAX MUFF WALKIE TALKIE SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the FIREMAX MUFF WALKIE TALKIE. This product is designed to enhance your communication while providing effective ear protection. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only as intended and in accordance with the instructions provided.
- Always check for any visible damage before using the product. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using the walkie talkie to avoid accidents.
- Regularly inspect the product for any signs of wear or malfunction.

## Specific Safety Precautions for Use

- Do not expose the product to extreme temperatures or moisture.
- Avoid using the walkie talkie while operating heavy machinery or in hazardous environments.
- Always use the product with the FireMax muffs for optimal safety and performance.
- Use the adjustable antenna carefully to avoid injury.
- Do not use the walkie talkie while driving or in situations that require full attention.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the walkie talkie to the FireMax muffs according to the manufacturer's instructions.
- Ensure that the connection is secure and that all components are properly aligned.

### 2. Usage:

- Power on the device using the main control button.
- Adjust the volume using the walkie talkie controls.
- Select the desired channel using the main, subchannel, and priority channel settings.
- Use the adjustable antenna to improve signal strength as needed.
- Communicate clearly and avoid shouting to ensure effective communication.

### 3. Battery Management:

- The walkie talkie is powered by the FireMax's large lithium battery. Ensure that it is fully charged before use.
- Follow the manufacturer's guidelines for charging and maintaining the battery.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the lithium battery in regular waste. Follow local guidelines for battery disposal to prevent environmental harm.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please contact your local retailer or the manufacturer. Ensure you have your product details handy for efficient assistance.

Thank you for your attention to these safety instructions. Enjoy your FIREMAX MUFF WALKIE TALKIE and stay safe!
