

PDP F-SERIES OPTIC READY 9MM LUGER HANDGUN - PDP F-SERIES OR 9MM LUGER 4" BBL (2)15RD MAGS BLACK

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

Features REDUCED TRIGGER REACH A highly distinct, recognizable feel for repeatable accuracy that will maximize your confidence. When you are READY to take the shot, this is the trigger you want. REDUCED GRIP CIRCUMFERENCE The F-Series grip is designed from the ground up to fit the contour of a woman's hand, precisely smaller where it needs to be. This adjustment naturally gives the shooter maximum control and faster follow-up shots. The smaller grip circumference also allows for easier access to the F-Series magazine release. REDUCED SLIDE FORCE Walther has developed a brand new operating system that results in an unprecedented 20% Reduction in Slide Racking Force. Utilizing a two-piece striker, all shooters will be able to experience the performance of the PDP with an intuitive slide rack that is as natural as it is durable. PERFORMANCE DUTY TEXTURE Walther has pushed the boundaries of testing in some of the harshest conditions to ensure this pattern is READY when you are. SUPERTERRAIN SERRATIONS Uniquely designed protruding serrations on the slide, allowing for quicker and more responsive hands-on engagement with the pistol. RED DOT ERGONOMICS Designed around making the switch to the popular red-dot sight system easier for the new RDS shooter and faster for the RDS veterans. RED DOT READY All PDP models come optics READY. If you plan on putting an optic on your pistol then you are READY to go, if you want to keep that factory look then you are covered with the included cover plate. SIGHTS With windage and elevation adjustable sights standard right out of the box the PDP is READY to be configured to any ammo of your choice.

Safety Instruction Guide for PDP FSeries Optic Ready 9mm Luger Handgun

Introduction

Thank you for choosing the PDP FSeries Optic Ready 9mm Luger Handgun. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your firearm. Please read this manual carefully before using the product and follow all instructions to maintain safety.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Ensure that the firearm is stored securely and out of reach of children and unauthorized users.
- Use only the recommended ammunition for your handgun.
- Regularly inspect your handgun for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the handgun is unloaded when not in use.
- Always wear appropriate eye and ear protection when shooting.
- Do not use the handgun if you are under the influence of drugs or alcohol.
- Be mindful of your surroundings and ensure that no one is in your line of fire.
- Use caution when handling the handgun, especially during loading and unloading.
- If the handgun fails to fire after pulling the trigger, keep it pointed downrange for at least 30 seconds before attempting to clear the malfunction.

Instructions for Installation and Usage

• Installation of Optics:

- Ensure the handgun is unloaded.
- Remove the cover plate from the opticsready slide.
- Align the optic base with the mounting holes and secure it using the provided screws.
- Follow the manufacturer's instructions for sighting in your optic.

• Loading the Handgun:

- Ensure the handgun is pointed in a safe direction.
- Insert a loaded magazine into the magazine well until it clicks into place.
- Pull the slide back and release it to chamber a round.

• Firing the Handgun:

- Stand in a stable shooting position with your feet shoulderwidth apart.
- Grip the handgun firmly with both hands.
- Align your sights on the target.
- Take a deep breath, then squeeze the trigger smoothly.

• Unloading the Handgun:

- Point the handgun in a safe direction.
- Remove the magazine from the magazine well.
- Pull the slide back to eject any chambered round.
- Visually and physically inspect the chamber to ensure it is empty.

Disposal Instructions

- Dispose of the handgun in accordance with local laws and regulations.
- If the handgun is damaged or no longer functional, consult a qualified firearms professional for proper disposal methods.
- Ensure that all ammunition and accessories are also disposed of safely and responsibly.

Contact Information for Further Support

For any safety inquiries or concerns regarding your PDP FSeries Optic Ready 9mm Luger Handgun, please contact the relevant authorities or consult the manufacturer's website for additional resources.

Conclusion

Safety is paramount when handling firearms. By adhering to the guidelines and instructions provided in this manual, you can help ensure a safe and enjoyable shooting experience. Always prioritize safety and responsibility in all your firearm activities.
