

HOLOSUN 507K CUT SLIDES FOR P365 - BROWNELLS HOLOSUN 507K CUT SLIDE FOR SIG P365

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Sets You Up To Install a Red Dot Sight on Your Pocket Sig? The Brownells Holosun 507k Cut Slide for the Sig P365 enables you to install a Holosun 407k, 507k, and Shield Sight RMS red dot sight on your pocket Sig P365. It offers all the benefits of our "Front Cut" slide for Sig P365, including forward slide serrations that give you extra leverage in manipulating P365 slide against its stiff recoil spring. The cutout on top of the slide behind the ejection port accepts a Holosun 407k, 507k, and Shield Sight RMS or other red dot that fits the Holosun 407k/507k mounting footprint. Uses the factory screws supplied with your Holosun 407k or 507k The Holosun 507k Cut Slide for Sig P365 also comes with a factory front and rear sight dovetails. Machined from heat-treated & hardened 17-4 stainless steel billet Hard, wear-resistant matte black Nitride finish Internal dimensions identical to factory slide Includes Factory front and rear sight dovetails. Slide only - no internal parts (see Gun Tech Note below) Uses mounting screws provided with you Holosun optic Our Holosun Cut Slide gives you more grasping surface on your Sig P365 by adding deep-cut serrations up front. This is a big help when making a quick press check of the chamber. Crisp 90-degree edges on the grooves give you excellent purchase for chambering a round on the first try. Brownells Gun Tech™ Note: The Holosun 507k Cut Slide for Sig P365 consists of the bare slide only. You will need to retain your pistol's existing internal parts or aftermarket parts.

HOLOSUN 507K Cut Slide for Sig P365 Safety Instructions

Introduction

Thank you for choosing the HOLOSUN 507K Cut Slide for your Sig P365. This product is designed to enhance your shooting experience by allowing the installation of a red dot sight. Please read this safety instruction guide carefully to ensure proper and safe usage of the product.

General Safety Guidelines

- Ensure that the product is used for its intended purpose only.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If you experience any issues or concerns regarding the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Only use the HOLOSUN 507K Cut Slide with compatible Holosun optics (407K, 507K, and Shield Sight RMS).
- Ensure that all screws and components are properly secured before using the firearm.
- Do not attempt to modify or alter the slide in any way that could compromise its integrity.
- Always verify that the firearm is unloaded before installing or removing the slide.
- Use appropriate eye protection when handling or firing the firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Sig P365 is unloaded and the magazine is removed.
- Gather all necessary tools, including the factory screws that came with your Holosun optic.

2. Installation:

- Remove the factory slide from your Sig P365 by following the manufacturer's instructions.
- Align the HOLOSUN 507K Cut Slide with the frame of your Sig P365.
- Secure the slide using the factory screws provided with your Holosun optic.
- Ensure that the slide is properly seated and that all screws are tightened to the manufacturer's specifications.

3. Usage:

- After installation, perform a function check to ensure that the slide operates correctly.
- Familiarize yourself with the red dot sight and ensure it is properly zeroed before use.
- Always follow safe handling practices when operating your firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consult local guidelines for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the HOLOSUN 507K Cut Slide for Sig P365, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety and compliance while using the HOLOSUN 507K Cut Slide. Enjoy your enhanced shooting experience!
