

BARRELS FOR SIG P365XL 9MM - BROWNELLS BRN PISTOL BARREL FOR SIG P365XL,9MM,THREADED, BLACK NITRIDE

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

A Premium Barrel To Maximize the Performance of Your Sig P365XL The Sig P365XL is an outstanding EDC / CCW / personal defense pistol. It's not designed to punch the tightest groups on paper targets - but it has a lot more accuracy potential than folks may think. Drop in our Match-Grade Barrel for the Sig P365XL and find out just how much more accuracy your P365XL is ready to give you! What makes our Sig P365XL barrel match-grade is the way it's machined from hardened 416R stainless steel to precise dimensions for a tight lockup and long service life. Installation should be a straight drop-in deal on most guns. The extra-hard Black Nitride finish resists surface wear and stops in its tracks whatever corrosion might try to challenge the stainless steel. Ahead of the 9mm Luger (9x19mm) chamber is a button-rifled bore with standard, 1-10" right-hand, 6-groove rifling. Fits Sig P365XL Only 416R Stainless Steel Black Nitride Finish Button-Rifled, 1-10" Twist Threaded Model has 1/2"-28 tpi Our Match-Grade Barrel for the Sig P365 is available with your choice of a Plain muzzle or Threaded (1/2"-28 tpi) to enable installation of a compensator or sound suppressor. Both are laser engraved with the chambering and the Sig model they fit.

Safety Instruction Guide for BARRELS FOR SIG P365XL 9MM

Introduction

Thank you for choosing the BARRELS FOR SIG P365XL 9MM from Brownells. This product is designed to enhance the performance of your Sig P365XL pistol. To ensure safe and effective use, please read and follow the safety guidelines and instructions outlined in this guide.

General Safety Guidelines

- Always treat the barrel as if it is loaded, even when you believe it is not.
- Keep the barrel and all firearms out of reach of children and unauthorized users.
- Use the barrel only with compatible firearms as specified in this guide.
- Inspect the barrel for any signs of damage before each use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Store the barrel in a secure location when not in use to prevent unauthorized access.

Specific Safety Precautions for Use

- Ensure that the firearm is completely unloaded before installing the barrel.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Do not attempt to modify or alter the barrel in any way.
- Avoid using ammunition that exceeds the specifications for the Sig P365XL.
- Do not use the barrel if it shows signs of excessive wear or damage.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the Sig P365XL according to the manufacturer's instructions.
- Align the new Brownells barrel with the slide and lower it into place.
- Ensure that the barrel is seated properly and locked into place.
- Replace any components that were removed during the installation process.
- Conduct a function check to ensure proper installation.

2. Usage

- Load the firearm with appropriate 9mm Luger ammunition.
- Follow standard firearm safety rules when handling and firing the pistol.
- Regularly clean and maintain the barrel to ensure optimal performance.
- Monitor the barrel for any signs of wear or damage during use.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations for firearm components.
- If the barrel is damaged or no longer usable, do not discard it in regular waste. Contact a local firearms dealer for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or installation, please refer to the contact information provided by your retailer or manufacturer. Always ensure that you are reaching out to authorized representatives for assistance.

By following these guidelines, you can help ensure a safe and enjoyable experience with your BARRELS FOR SIG P365XL 9MM. Thank you for your attention to safety.
