Universal Retention Kit Safety Instructions

Introduction

Thank you for choosing the Universal Retention Kit by Spiritus Systems. This product is designed to securely attach a tourniquet to your Micro Fight Chest Rig MK 4, ensuring that you have quick access to essential medical supplies in emergency situations. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the Universal Retention Kit is used only as intended, as specified in this guide.
- Always inspect the product for any signs of wear or damage before use. Do not use if damaged.
- Keep the product out of reach of children to prevent misuse or accidental injury.
- Store the product in a cool, dry place away from direct sunlight and extreme temperatures.
- If you experience any adverse reactions or issues while using the product, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Verify that your Micro Fight Chest Rig MK 4 is compatible with the Universal Retention Kit before installation.
- Ensure that the tourniquet you attach is of good quality and has not expired.
- Avoid overtightening the elastic loops, as this may cause damage to the tourniquet or the retention kit.
- Be aware of your surroundings when accessing the tourniquet to avoid accidents during emergencies.
- Regularly check and maintain the retention kit to ensure it remains in optimal condition.

Instructions for Installation and Usage

1. Gather Materials

- Universal Retention Kit
- Micro Fight Chest Rig MK 4
- Tourniquet (TQ)
- Scissors (if needed for adjustments)

2. Installation Steps

- Locate the provided Cord Locks and shock cord included in the Universal Retention Kit.
- Route the shock cord through the provided Cord Locks.
- Thread the shock cord through the grommets located at the bottom of your Micro Fight Chest Rig MK 4.
- Adjust the Cord Locks to tighten the elastic loops around your tourniquet.
- Ensure that the tourniquet is securely held in place and easily accessible.

3. Usage Steps

- In case of an emergency, quickly access the tourniquet by loosening the Cord Locks if necessary.
- Follow the instructions on the tourniquet for proper application.
- After use, reattach the tourniquet to the Micro Fight Chest Rig MK 4 following the installation steps.

Disposal Instructions

- Dispose of any damaged or expired components of the Universal Retention Kit responsibly.
- Follow local regulations for the disposal of medical supplies and accessories.
- If the product is no longer needed, consider recycling it if possible, or dispose of it in general waste.

Contact Information for Further Support

For any questions or concerns regarding the Universal Retention Kit, please refer to the product packaging for the manufacturer's contact information or consult the official website for additional resources and support.

Thank you for your attention to these safety instructions. Your safety and the effective use of the Universal Retention Kit are our top priorities.
